

Good Crops Will Enhance 4-H Corn Contest

By JANE PARRISH
This should be a very interesting year for the 4-H Club Corn Contest. Everyone seems to have a very good crop this year.

13-14 years old; 15 years and older.
First of all you are required to take a soil sample and then follow recommended production practices. Yields are determined by an estimation method.
This contest is sponsored by

the Edenton Lions Club, and the winners will be announced at the Farm-City Banquet in November.
The 4-H boys and girls participating in the corn project and contest this year: T. A. Dail, Keith Bunch, Joseph Goodwin, Ken Dail, Bradley

Ward, Randy Copeland, Harold Lloyd Bunch, Jr., J. Ivey Ward, Nadine Monds, Harry Ward, Bill Jordan, Michael Perry, Bob Jordan, Gene Jordan, and Jane Parrish.
Propaganda is often hard to define or identify.

FUN AND GAMES—The game tables are always attractive at the county fair. The recent event in Chowan County was no exception as Patrick Flynn's camera shows.

Theater Season To Feature Hit

The first stage musical to be composed with a rock beat by Galt MacDermot since his world-wide success "Hair," is coming to the Chrysler Hall Theater October 19 and 20 and tickets for its three performances will go on sale on Monday at 10 A.M.
The musical is "Two Gentlemen of Verona," which has an at-first forbidding sound to it, for isn't that a title of one of Shakespeare's plays? But those who remember the bouncing entertainment derived from Will Shakespeare's treasure-house in such musical hits as "Kiss Me, Kate," "Your Own Thing" and "The Boys From Syracuse," will not be deterred by the fact that "Two Gentlemen of Verona" is indeed Shakespeare's comedy, fitted out with Galt MacDermot tunes and some jubilant dancing and a broad comedy adaptation by John Guare, author of the Drama Critics Award in 1971 for his "The House of Blue Leaves" and Me. Shapiro, who directed that comedy.
Guare had hardly gotten used to his Drama Critics crown of 1971 than he received that award again in 1972, plus the Tony Ward, for his work on "Two Gentlemen of Verona," and MacDermot also won the Drama Critics Award in 1971 for his music in "Two Gentlemen."
This was more honor than he has received for such memorable songs of his in "Hair" as "This Is the Age of Aquarius," "What a Piece of Work Is Man," "Good Morning Starshine" and "Ain't Got No." When "Hair" began its notable four year run of 1,742 performances, it was not immediately recognized for the landmark musical it was, and neither MacDermot nor his fellow-creators received any laurels that spring of its opening, in 1968.
Over 1,600 delegates are expected to attend the 52nd National 4-H Congress in Chicago, Nov. 25-29, 1973. The 4-H winners from across the country and Puerto Rico, will be accompanied by some 250 4-H leaders and greeted by over 300 representatives of 4-H donor organizations and some 200 members of the press. Total Congress attendance is expected to top 2,400 persons.

Fair Proves To Be Crowd Pleaser

By PATRICK FLYNN
At the Chowan County Fair every year, people come out of their barns and dens to enjoy themselves. This year was no exception.
When the fair is in town, no one can complain of having nothing to do. Local people from miles around try their luck to see if they can bring home a

stuffed animal or a new set of dishes.
Booths set up on the fair grounds provided the main attraction. Men and boys, hoping to come home with the carney's best prizes usually drove away empty handed.
Everybody talks about what they could of done to win after its over. While participating, nobody does any talking except the carney.
