

Tax Forms Are Improved

GREENSBORO — North Carolina taxpayers will find a number of time-saving improvements on 1973 individual income tax returns as well as shortened and simplified instructions. N. C. District Director of Internal Revenue Charles DeWitt has said.

Describing the long Form 1040 and the short Form 1040A, which are now being printed, DeWitt estimated that over 1.8 million individual returns would be filed in North Carolina for 1973.

Steps taken by the IRS to improve tax forms, DeWitt said, "should enable many taxpayers to complete their returns with less difficulty and in less time than last year."

So that taxpayers can file early and receive refunds in less time than those filing closer to the April 15 due date, DeWitt urged employers to distribute W-2 withholding forms as soon as possible. W-2's for 1973, generally, must be distributed by January 31, 1974.

Most taxpayers who file in January receive their refunds in four to five weeks, while later filers may have to wait as long as eight weeks, because of the greater volume of returns received, DeWitt said.

The major improvements in the 1973 tax forms are:

- elimination of Schedule B for reporting details of dividends and interest;
- elimination of the requirement to list contributions for which the taxpayer has cancelled checks or receipts;
- elimination of the requirement to list names and

dates for claiming payments to doctors, dentists and hospitals; —reduction in the number of revenue-sharing questions to a single item; and —elimination of income limitations for filing the 1040A short form.

Taxpayers will also find two lines on their returns relating to the 1976 Presidential Election Campaign Fund checkoff: one line permitting them to check off for 1973, the other providing a second opportunity for those who failed to check off on their 1972 returns and now wish to do so.

In discussing the instructions for 1973 returns, DeWitt said the IRS has not only shortened the instructions but has rewritten much of the material in easier-to-understand language. This should enable more taxpayers than before to prepare their own returns.

DeWitt also said most taxpayers will receive their 1974 tax packages in the mail by the early part of January, 1974. Taxpayers can obtain additional forms and instructions throughout the filing period at most banks, postal service stations and IRS offices in North Carolina.

When it comes to saving energy—your own as well as energy fuels—aluminum foil is a cook's best helper. The ways it saves are many, as the following aids show.

- Cover the legs of turkey, or any fowl, by fringing pieces of foil to wrap around the drumsticks. It keeps the meat moist, and makes carving and serving easier. Covers can be used also on a shank of ham, chop bones or a crown roast.
- If you find a garlic press hard to clean, try putting the garlic buds between two layers of foil; then bash it with a hammer. The pressed garlic and juice is then easy to use and you can throw the foil away.
- If you have leftover hard-sauce from that plum pudding or whipped cream from the pumpkin pie, drop it in portion-sized mounds on foil, wrap carefully and freeze. What could be handier for the next time around, and it takes only minutes to thaw.
- To save energy around and in the stove try lining drip pans under surface burners with foil. It will keep them clean, and help burners to operate at maximum efficiency. Also line the drip tray under the surface as well as broiler pans. If foil is cut to fit exactly, it can be wiped off easily and used for some time before discarding.
- Want to boil a cracked egg? Wrap it in foil.
- If you have homemade goodies to give as gifts, don't forget to tie them up in foil for safety's sake as well as prettiness.
- Little dabs of leftovers can be stored or frozen easily in airtight foil packets. They can then be heated right in the foil and no messy cleanup.

Donald A. Gaudion Named NAM Chairman for 1974

New NAM Chairman

Donald A. Gaudion, chairman and chief executive officer of Sybron Corp., Rochester, N.Y., has been elected 1974 chairman of the board of the National Association of Manufacturers.

The new NAM chairman succeeds Burt F. Raynes, chairman and chief executive officer of Rohm Industries, Inc., Chula Vista, Calif., who becomes chairman of the Association's executive committee.

Mr. Gaudion directs and sells on a worldwide basis a diversified line of equipment and supplies in four principal areas: professional health products for physicians, dentists, hospitals and laboratories; instrumentation systems and equipment; process equipment; water and waste treatment equipment; and specialty chemicals. Five of the company's more than 60 divisions and subsidiaries are located in the headquarters city of Rochester.

Mr. Gaudion was born in Buffalo, N.Y. He graduated AB Cum Laude, University of Rochester 1936; Harvard University Graduate School of Business, MBA with High Distinction 1938; and Doctor of Humane Letters, Keuka College, 1972.

He began his career in sales and market research for the Eastman Kodak Company, where he went into general management report work, and finally assistant to vice president in charge of sales. He joined the Sybron Corp. (formerly Ritter Pfaudler Corp.) 1948 as assistant to the president; in 1950 became vice president in charge of sales and advertising; executive vice president, 1955; president, January 1959 to April 1971; and chairman of the board and chief executive officer, April 1971.

Miss Forehand In Who's Who

Mary Dabney Forehand, daughter of Dr. and Mrs. John F. Williams of Durham, has recently been elected to Who's Who Among Students in American Colleges and Universities. Nominated by a special Honors Committee consisting of faculty, students named to Who's Who are selected on the basis of scholarship, leadership, overall citizenship qualities, and a promise of future usefulness.

Dabney is a senior majoring in retailing at Virginia Intermont College, Bristol, Va. She is a former resident of Edenton.

Virginia Intermont is a private four-year liberal arts college dating from 1884 located in the Blue Ridge Mountains.

Donald A. Gaudion, chairman and chief executive officer of Sybron Corp., Rochester, New York, has been elected 1974 board chairman of the National Association of Manufacturers.
