

4-H Members Place Emphasis On Hot Water Use

By JEAN PARRISH

How often do we take for granted our hot water supply? If we are not careful we may find that we will not have adequate hot water for our needs. By being selective and efficient in our everyday use today perhaps we can avoid shortages in the future.

The places you use hot water in your home usually fall in two general categories. The laundry room and everywhere else.

A shower uses considerably less hot water than a tub bath, and you get just as clean. (Unless you take a lengthy shower.) Also when shaving or washing at a basin don't leave the water running. You're just wasting the hot water that you have to pay for.

If you wash dishes by hand, don't wash or rinse each plate separately. For your dishwasher make sure you wash with the fullest possible load.

Repair leaky faucets. One drop per second adds up to about 200 gallons per month. And that's a lot of hot water down the drain.

Set the water heater thermostat between 150-160 degrees. This will give you the required water temperature for dishwashers and the laundry.

Now let's check the laundry. It saves time, hot water, and electricity to wash full loads. If you must wash a partial load, select the water level to fit the amount of clothes. Avoid overwashing clothes. It's just a waste and also wear on the clothes. Use cold water and suitable detergents wherever they can do an adequate job.

Since we've been thinking about laundry remember to have your electric dryer at peak efficiency by keeping it clean, adequately vented and don't overdry.

Don't let your overuse of hot water get us all into "hot water!"

It is the time of year again when we begin to think about our Chowan County Junior Livestock Show and Sale. It is usually held in April. This year it is planned for April 16.

There is a lot of work and planning to be done in order to have a successful show and

sale. The steers that are to be shown have to be shut up and on feed by January 1. The pigs have to be shut up by February 20.

There is more work in having a steer because he has to be halter broken so he can be lead around by the owner. A few weeks before the show you have to start giving them a bath. Their hair is also cut prior to the show. Your pigs have to be washed and cleaned also.

There are a lot of prizes given. First you get extra money if your steer grades good, choice, or prime. Our county tries to top our steers off to grade choice. You can also win prizes in showmanship.

Prizes are also given for the hogs. They are given for both individual and pens of three. Trophies and ribbons are presented to the top winners in the Steer, Swine, and Showmanship Divisions.

This event is open to the public and will be held at the American Legion Building. Plan now to come see and learn and support the 1974 Junior Livestock Show and Sale.

OUTSTANDING WRESTLERS—Undeclared in dual meets, conference and sectional champs, the John A. Holmes wrestling team went to the state finals in Winston-Salem last weekend. In a field of 96 schools, the Aces placed sixth in the tournament, with five men representing Holmes High there. Pictured above, left to right, are team members Carlton Wills, Anthony Riddick, William Hassell, David Norris, Percy Twine and William Carter in the right foreground. Holmes Wrestlers Place

The John A. Holmes High School wrestling team emerged sixth out of 96 schools in the state championship, last weekend in Winston-Salem. The honor received with their showing was further strengthened by the fact that senior Percy Twine, adding to a still perfect record, copped the championship award in the 185 pound class, and Anthony Riddick emerged second in the 132 pound class. With the state competition Twine amassed a 20-0 record.

But that is the end of a story. The Aces went undefeated, 11-0, in dual meets. From there the team went on to win the N. C. Conference Championship and had five first-place winners. They included, William Carter, Anthony Riddick, David Norris, Percy Twine and William Hassell. Receiving second and honorable mention were Gus Drew, Fred Lassiter, Larry Jackson, Carlton Wills, Willie Bunch and John Norris. The conference meet was held in Plymouth.

From conference honors, they went on to the Sectional meet held two weeks ago in Greenville, which they won. Anthony Riddick, David Norris, Percy Twine, and William Hassell placed first, and William Carter placed second. This qualified them for the State Championship. In addition, Carlton Wills was a third place winner. David Norris received the distinction of being the most outstanding wrestler in the tournament with an overall record of 16-0. At that point, three of Holmes High team were still undefeated. They were Norris, Twine and Hassell.

Coach Gil Burroughs remarked that all the team had good records. He stated that this year was the best since the team was organized five years ago. Last year, the Aces were

second in the sectionals and qualified four men for the state. Five qualified this year.

Four team members will be lost through graduation including Twine, Carlton Wills, Willie Bunch, and Gus Drew. The co-captains were Percy Twine and Larry Jackson.

PROVIDENCE NOTES

CARD OF THANKS

We wish to express our sincere thanks to our many friends for every act of kindness rendered us during the illness and death of our loved one, Louise Bush Byrum.

The skill and patient kindness of both doctors and nurses truly warmed our hearts, and we thank the entire staff of Chowan Hospital for the excellent medical care.

To those nurses who so unselfishly gave of their time and helpfulness we shall be eternally grateful.

We deeply appreciate the many cards, the lovely flowers, and the abundance of food so kindly provided for our need. Thank you sincerely for your contributions to the cancer fund and to the rescue squad in memory of our beloved.

May God's blessings be upon you!
