

Bridal party stars

WHAT MORE THOUGHTFUL WAY to say thank you to members of the bridal wedding party than with jewelry containing Linde Stars from Union Carbide Corp. There is something for everyone including mothers of the bride and groom, bridesmaids, matron and maid of honor and even the flower girl. The star sapphire with its softly glowing quality is a gift of love and symbol of good luck. So what better way to say thank you than with jewelry (like that pictured) made with Linde Stars, the man-made star sapphire.
