HONORED—Rev. and Mrs. Frederick B. Drane are shown sharing cake at their 50th wedding anniversary dinner given by their children Monday night.—(Studio Edenton Photo).

Observe Anniversary

On Monday Rev. and Mrs. Frederick B. Drane celebrated their 50th wedding anniversary.

At a dinner party given in their home by Mrs. David Warren of Chapel Hill, and Mr. and Mrs. Ross Inglis of Edenton, about 40 close relatives were entertained for the occasion.

The honored couple was presented with two Golden Half Sovereigns as a symbolic gift.

It was especially appropriate that the recently resigned Bishop of Alaska, Rt. Rev. William J. Gordon, was present to speak a prayer of thanksgiving in that Mr. Drane was for many years the Archdeacon of the Yukon and it was in Alaska that Mr. and Mrs. Drane began their married life.

Two of their grandchildren, Carolina Warren and Frederick Inglis played The Wedding March on an alto recorder and flute respectively, prior to a cake cutting ceremony.

Special Bible Study At Edenton Baptist

Rev. Robert E. Gray, pastor of Edenton Baptist Church, has begun a study of the Bible at the mid-week service on Wednesday evenings which will continue for several months. The first part of the series will focus on the first five books of the Old Testament otherwise known as "the law of Moses".

At the worship services on Sunday, Mr. Gray will continue to bring his messages from Matthew.

Special music at services on Sunday will include a solo by C. W. Overman, and the Adult Choir rendering "Psalm 150".

George Blake Holmes, III

Mr. and Mrs. George Blake Holmes, Jr., of Virginia Beach, Va., announce the birth of a son, George Blake Holmes, III, on September 21 in Virginia Beach General Hospital. Mrs. Holmes is the former Debbie Weiss.

Mrs. Hathaway At Workshop

Mrs. Etta Hathaway, director of school food service for the Edenton-Chowan Schools, is attending the annual School Food Service Supervisors' Workshop September 23-27 in Winston-Salem.

The theme for this year's in-service activities is "Food Production, Fiscal Control, Participation-Dare to Change." Sessions each day will focus on such topics as quality food, production, menu planning, nutrition analysis, and time and money-saving ideas for school food service.

A special feature of this year's workshop, according to Ralph Eaton, director of the Department of Public Instruction School Food Service Division, is the mini-sessions, small group workshops in which participants can get an in-depth look at some up-to-date food service practices.

Presbyterian Church News

First Presbyterian Church, Edenton, is planning an Orientation Program for the many new people who have come to Edenton and who have expressed an interest in knowing what the Presbyterian Church is all about. The program is to include an introduction to Church government, local and national; a survey of the existing Church programs; suggestions as to where people might become involved in the life of the Church; and a snack with an opportunity to talk to some of the Church members of longer standing. The Orientation Program is to be held in the Fellowship Hall of the Presbyterian Church, at 7:30 P.M. on Monday, September 30th.

Office-bearers are in the process of determining objectives for the coming twelve months for the Church, and have their second meeting for that purpose on Sunday, September 29th.

This week is World Hunger week, and the Presbyterian Community are honouring that week with a Hunger Banquet to be held in the Church on Wednesday evening. The Hunger Banquet menu will be rice and water, as that is the staple diet of about two-thirds of the world's population. It has been estimated that 1500 calories is the correct daily intake to maintain life—under that people die, or are severely under-nourished; double it and more and people die also, of heart attacks and over-weight. More than half the world's population lives hungry, and this World Hunger Week is an effort to make all of us more aware of this major world problem.

New officers for the Women of the Church are to be installed on Sunday, 29th, during the 11 A.M. worship. President for the incoming year is to be Mrs. Herbert Tscheiller; Vice President will be Mrs. Haywood Harrell; Secretary, Mrs. Chester Stevens; treasurer, Mrs. Warren Hibbard; and Historian, Mrs. Dewey Whitehurst. The four committee chairwomen are to be - Mrs. Marshall Whitt (Personal Faith and Family Life), Mrs. Warren Hibbard (Christian Community Action), Mrs. A. G. Pigott (Ecumenical Mission and Relations), and Miss Christine Harris (Leadership and Resources).

Another of the great themes of the New Testament will be the topic for Sunday morning's sermon by the Rev. John Calvert. In Luke 15 there are three parables about people rejoicing when they had found something precious which had been lost. A recent article suggested that Jesus divided people into two categories, good and evil, and spent the majority of his time with those of the evil category, because he knew that the good did not wish to know him because of their own self-righteousness. After all these years that this message has been preached it is surprising how deaf people are to its real meaning, and how little motivated the institutional Church is in moving out among those who most need the Gospel message.
