Danish Gym Team To Perform In E. City

The internationally known Danish Gym Team will return to Elizabeth City Saturday for one performance at the Elizabeth City Junior High School gym at 7:30 P. M. Composed of 15 girls and 15 boys with four adult leaders, the team is currently on its one-year tour of North America. Team members were selected from the many skillful gymnasts in Denmark. Most of them are in their early 20's. Some are students and others represent a number of different careers. They have all taken time off without salary of any kind and their common interest is their dedication to physical education. Their demonstrations include a variety of modern Danish gymnastics for boys and girls and a selection of Danish folk dances in colorful native costumes. The majority of the program is accompanied by music, classic and modern. The folk dances are performed to old Danish folk tunes. Danish gymnastics have been shown nearly all over the world. Denmark advocates physical education and seeks continually to improve all forms. Perfect style counts more than acrobatic stunts and all exercises must have a clear purpose and wholesome effect on the participating person. The team represented Denmark at the World's Fair in Seattle and a similar tour ended with two highly acclaimed performances at the World's Fair in New York. The team previously made a successful tour around the world, performing in Canada, U.S.A., including Hawaii, Fiji, Australia, the Philippines, Hong Kong, Thailand, India, Pakistan and Israel. The performance here Saturday is sponsored by College of the Albemarle and its physical education department as part of the Lyceum Series. Tickets can be obtained at the door.
