

The Bandon Notebook

In today's troubled world, when it seems that our young people are desperately seeking to "find themselves" - to discover what their purpose in life really is, it is refreshing and so satisfying to find a young woman who has discovered her purpose in life and is actively working toward her goal.

Last week a letter was received from Nita Pride, our missionary with the Campus Crusade for Christ. She wrote: "My purpose in life is to glorify God. How do I do that? First, Love the Lord Jesus and second, Feed his Sheep (read John 21:15-17). The first involves being obedient to all He tells me in His Word and by enjoying my relationships with Him. The second is accomplished as I disciple women at the University of Rhode Island and Brown University. My goal in life is to be all that God wants me to be. Please keep praying for this little sheep." Since our young people are the hope of our future, our leaders of tomorrow, with God's help I'm sure they will find a meaningful purpose for their lives.

Sunday dawned bright and beautiful again! Supt. David H. Lapham beamed with joy as he welcomed the many assembled for Sunday School and offered our morning prayer. Supt. Lapham reported that again our prayer had been answered. Our beloved friend and co-worker, Eleanor Jackson, was released from Chowan Hospital Friday. Though she is still very weak, we are sure that she will be back at Bandon Chapel in her "accustomed" seat next Sunday. Carlyle "Doc" Gilliam returned to Arrowhead Beach Monday after surgery at Norfolk General Hospital. Supt. Lapham again requested that each church member review the by-laws and submit suggested additions, deletions or revisions to Mrs. T. Bunting on or before November 30th.

We were all saddened to hear that Howard Tise of Norfolk, Va., brother of G. Douglas Tise, has passed away. Our heartfelt sympathy is extended to Doug and his family.

The Adult Sunday School Class was taught by William F. (Butch) Smith whose subject was "When Moral Values are Disregarded". The lesson centered around the prophecy of Hosea. It was brought out that even though the Israelites were in a situation of national depravity, cited by Hosea as

adultery, drunkenness, intrigue and murder; and completely departed from the Lord - Yet the Lord loved His people and was ready to forgive them had they turned back to Him. It was pointed out that forgiveness is free - men don't have to work for it, not pay for it, nor suffer for it. All they have to do is repent of wrong-doing and through God's grace, they receive a full pardon. Jesus Christ has paid the penalty for us all.

The Youth Class was taught by Mrs. Fred (Annie) Cooke, whose subject was "Courage to Trust God." All the youngsters expressed thanks to God for some blessing they had received during the past week. This deeply touched Mrs. Cooke.

At our worship service at 11:00 A.M., we were delighted to welcome Dr. W.J. B. Livingston "home" again. Rev. Glenn Bunch offered our morning prayer of thanksgiving. Dr. Livingston brought us a very forceful and stirring message. His scripture was Psalm 78, verses 1-11, with particular emphasis on vs. 7, 7, & 8. He spoke strongly about the hope in God which must be given by this generation to the next, and to those as yet unborn, that they might not forget the mighty works of God and keep his commandments in order to be happy and receive God's bounty. He pointed out that there are no depths of despair from which God cannot rescue us if we put our trust in Him.

Here are a few words from our beloved pastor: "Sunday evening I am to 'charge the congregation' of Trinity Presbyterian Church, Williamsburg, Va. as they install a new pastor. What would you say to a congregation? I have been thinking about that word 'charge'. The English language gets a lot of mileage out of a word and this is one that really means many things - from charging your groceries, to a battery, to fighting battle. I think I shall charge them to pray for him, to surround him with the Holy Spirit in order to leave no room in him for the devil or any of his demons so that he will have not only physical health but mental and spiritual vitality. I shall charge them to pay him and I would like to persuade them to pay him separately from all other funds, like using a special envelope for the support of the ministry or a
