Magazine Sales Drive Is Successful

The Student Council at D. F. Walker School recently held a magazine subscription drive in an effort to raise funds for worthwhile projects to benefit students at the school.

The Student Council sponsored this project in which all students of D. F. Walker were invited to participate. The response was good, and magazine sales reached far beyond their wildest anticipations, according to Mrs. Sandra Askew and Charles Everette, co-advisors for the

groups. Receipts from magazine sales reached \$1,800, with 40 per cent profit going to the Student Council.

Incentive for the group to do well was stimulated by the magazine company's offering of a new bicycle or \$40 to the person selling the most subscriptions. Other prizes offered were stuffed animals and posters.

Michael Spear was the student selling the most subscriptions and Carla Lane was second.

The Year Of '68

BY MARY LIZZIE LANE

It was in the year of sixty-eight, When the stork came around. He gave to my daughter Vida, The new years baby for the town.

Now she reached the age of seven, She grew just like a weed. They sent her to the kindergarten, An education she will need.

She lives on the corner of Cabarrus Street, Her hair is blond, her eyes are blue. And Susann is my grand daughter, I am really pleased to tell you.

We gave her a birthday party, There were only a few guests. She was once the new years baby, And she was at her very best.

I can remember seeing her picture, On the front page of the Herald. Back in the year of sixty-eight, Telling about the new years baby girl.

Now seven years have past by, Something we can never recall. We watched over her very patiently, She has been a pleasure to us all.

When her childhood days are over, Out in this world she may roam. But she will never forget, Chowan County as her native home.
