

### Chowan ASCS News

**Peanut Allotments**  
Peanut allotments may be transferred in 1976 by sale or lease to other farms in the county. In the event Congress changes the present law, the acreage might be different from what it would have been under the law in effect for 1975. Agreements to transfer allotments must be filed in the ASCS office by April 1, 1976. April 1 is also the final date to release peanut allotments or to request additional acreage from released allotments.

**Lease and Transfer Of Flue-Cured Tobacco**  
Tobacco lease and transfer agreements are being accepted at the county office and will continue through June 14. After June 14, transfers may be filed provided both the transferring and receiving farms have planted at least 50 per cent of effective allotment or the basic quota is 2000 pounds or less.

**1976 Tobacco Market Designations**  
The 1976 designation of tobacco markets will begin on March 1 and will end on April 2. This year, as in 1975, growers will say where they want to sell their tobacco. To be eligible for tobacco price support, markets must be designated (within a 100 mile radius of Edenton). At the same time, growers will also say how many cards they want and the poundage to be entered on each card. Lease and transfer agreements should be completed, if possible, before designating warehouses. This will prevent having to revise the designation form.

**Cotton**  
Cotton can be released or requested now. Growers who do not intend to plant their 1976 cotton allotment should release it to the county committee by April 1. April 1 is also the final

date to file an application for an increase in allotment. Both applications for release and requests should be made in writing. Forms are available at the county office and may be obtained by visiting, writing or calling the county office.

Statewide planting intentions show that there will be a slight increase in cotton acreage for 1976 - from 55,000 acres in 1975 to 60,000 in 1976.

**State Committee**  
Four new members have been named to the N. C. State ASC Committee. Secretary of Agriculture Earl L. Butz has named Robert L. Hill, Jr. of Oakboro, Grady S. Hunter of Boonville, Harry Robertson of Alexander County, and Homer B. Tolbert of Iredell County to the N.C. State ASC Committee. John Robert Jones of Pembroke, who has been serving on the committee for some time, has been appointed chairman. Mr. Hill and Mr. Hunter have previously served on the State ASC Committee.

Chowan ASCS offices will be closed on Monday, February 16th for the George Washington's Birthday Holiday.
