

TAKES THE CAKE—Kathy Gray, advanced cake decorating instructor at College of The Albemarle, puts the squeeze on the icing as student Mary Lupton of South Mills observes with interest. The ornate wedding cake, complete with operating fountain, was decorated during class last week. Mrs. Gray said it normally requires about three hours to complete a work of this magnitude. The cake decorating class is only one of a variety of adult interest courses being offered by the college this Spring. (COA Photo)

Since 1970, the number of 18- to 24-year-old college students increased 9 per cent while enrollments of persons 25 to 34 years of age increased 63 per cent.

Church Holds Youth Week

This week has been Youth Week at Macedonia Baptist Church. The young people of the church conducted the mid-week prayer service on Wednesday evening and will be teaching the Sunday School classes this Sunday. On Saturday, the film, "A Thief in the Night", will be shown at the church beginning at 7:30 P.M. The public is invited to attend this showing. This movie deals with the second coming of Christ and shows what can happen when Jesus Christ returns. Filmed on location in Iowa, this picture portrays with devastating reality the Biblical prediction, "There will be no place to hide". One does not merely view this film, he experiences it. Every thinking person will seriously consider its impact. After the showing there will be a social in the fellowship hall for the young people and their leaders. On Sunday morning, Gordon West will be delivering the sermon. Gordon is a ministerial student attending College of the Albemarle and is a member of Edenton Baptist Church. The public is invited to attend these and all services at Macedonia.
