Too Deep - Too Bad-
We're in the midst of winter
planting of shrubs. A word
of caution: One of the
easiest ways to reduce
future growth of shrubs, or
even kill them, is to plant
them deeper than they
originally grew in the
nursery. Almost all common
ornamentals can be af-
fected. Example: Too deep
a planting of azaleas and
camellias is a major reason
for poor response. When
placed too far beneath the
soil line, some shrubs
produce a root system on the
underground stem at a
higher and more desirable
level. If the plant succeeds
it will survive and eventually
grow at a normal rate. It is
possible to re-set shrubs at
proper level. Do this now,
while plants are dormant.
When planting shrubs, be
sure to firm soil in bottom
of the planting hole. This
helps prevent sinking. Always
plant so that the top of the
ball of earth is level with
surrounding soil.

Car vs Shrub-On those
cold mornings when shrubs
are frozen, take care not to
let your car's warm exhaust
blow into nearby frozen
shrubs. The resultant
alternating thawing and
freezing can damage or kill
shrubbery planted near the
driveway. It's safer to back
the car away from your

shrubbery while the car
warms up.
Mulch Before Freezes-It
usually is advisable to
mulch shrubs and some
perennials before hard
freezes are in the forecast.

New Year's Dance Held In Armory

The Elite Woman's Club
sponsored its eighth annual
New Year's dance, De-
cember 31. The dance
was held at the Edenton
National Guard Armory.
This big dance is spon-
sored every year to help
toward a scholarship given
each year to two seniors
chosen from the Edenton-
Chowan Schools. The
scholarship is sent to the
college of his or her choice.
Music was furnished by
the Dynamics players of
Edenton. The manager of
this band is Earl Jones, Sr.
"The members couldn't
have chosen a better band,"
stated Mrs. Phyllis Jordan,
vice president.

The Elite Ladies wore
white jumpsuits with a
collar, long puffed sleeves,
tie belt and green scarfs.
Mrs. Jordan in charge of
the dance, stated in her
welcome address, "that it
was always a pleasure to
have our friends join us at
this time of the year to
watch the old year go out
and the new year come in."
Mrs. Jordan expressed the
sentiment of the club in
wishing, "everyone a happy
and most prosperous New
Year."

The officers and members
of the club was introduced
at the dance by Marshall I.
Jordan, Jr. The officers are:
Mrs. Dornell White,
president; Mrs. Jordan,
vice president; Mrs. Jennett
Stallings, secretary; Mrs.
Doris Hurdle, assistant
secretary; Mrs. Teresa
Jordan, treasurer; Mrs.
Ruby Bond, corresponding
secretary; and Mrs. Mary
Lewis, parliamentarian.

prevent excessive drying of
soil.

Bandon

reason is that we have
a lot of people who have never
discerned the Body of
Christ; 3) It will keep us
awake. We are jolted into
awareness of what Jesus
would have us do. We cannot
allow ourselves to become
spiritual dropouts. We
become alive to what is
really worth while. Let the
glory of God shine—let God
sing in our lives. He is—a
constant reality—He is
there—He walks with me
and talks with me. He is my
constant companion. Let
Him be yours.

Banner Day at Bandon!

accepted into membership

Letter To The Editor

To the Editor:
Knowing that the highest
honor as tall as any
can receive is the personal
knowledge that we did the
best we could enables each
of us responsible Americans
to retain and maintain our
personal sovereignty and
self respect.
Governor George Wallace
stood as tall as any
American leader ever has
when, for the first time in

many years, he ran the
Stars and Stripes to the top
of the flagpole at the
statehouse in Montgomery
just prior to our presidential
election.
Knowledge being
responsibility, "WE THE
PEOPLE" once again have
an opportunity, by
emulating this example of
sensitivity and courage, to
lead spaceship earth to
more light.

Each of us can ratify our
Constitution and the laws of
our Republic by registering
to vote.
