

The Bandon Notebook By Maggie B.

MARVELOUS - SENSATIONAL - SUPERB! Apt descriptions of concert put on by THE NEW VIRGINIANS of VPI Sunday afternoon in Suffolk, Va., sponsored by the JC's there. So much adverse publicity has been given to our "wayward" youth it's truly inspiring to see a group of nice looking students radiating with joy, happiness and wonderful music. The group, all honor students, consist of 25 singers and ten band members under direction of Stan Kingma, also a skilled narrator. Sound equipment and lighting are operated by students and all costumes are made by the students. Only 5 per cent of the group are music majors! It's an exhilarating experience to know that future leaders of our country will come from young people like this and the JC's sponsoring them. In my opinion, they are as good as or better than Fred Waring and his group.

On this very cold morning,

Supt. H.T. Bunting welcomed everyone to the warmth and friendliness of Sunday School at Bandon. The Attendance Contest is really great - one can feel a little spirit of competition even. We were happy to welcome Mr. and Mrs. Al Church as guests of B. Kent Rowley and Mrs. Barbara Lane from Newport News, Va. as a first timer. Mr. and Mrs. Jim Christ and Tracy were with us for the second Sunday, as well as Mrs. Ed Moriarty. Look out men, the ladies are still leading!

Prayer List: Added this week were Glenn Williams, Room 2061, Chowan Hospital, brother of Mrs. Helen Skinner; Richard "Duck" Reed, Portsmouth Naval Hospital, Ward 4B, and little Billy Koraska, grandson of Mrs. Virginia Koraska who accidentally pushed his arm through a glass storm door. Also still in need of prayer are Roy Housden, Bill Matthews, Mrs. Missouri Byrum, Mrs. Eva Jernigan, Ed Terle, Donna Hardison, little

Christina Vozquez of Atlanta, Ga., and Juanita Elliott. Please add our friends to your prayer list, also our missionaries Nita Pride, David, Linda and little Becky Smith and our beloved pastor, Dr. W.J.B. Livingston.

Supt. Bunting has a card from Louise and Willie Waters in Bradenton, Fla. They said "you'd better bring your long-Johns in planning to visit Florida in the near future."

The topic for our Juniors, taught by Mrs. Mary Elizabeth Beach, based on Mark 3: 13-19; Luke 6:12-16 was entitled "Jesus' Examples Help Choices". Aim was that the student may learn to pray for God's help in making the right choices.

"Power Over The Demonic", Mark 1:21,34, forcefully taught by B. Kent Rowley was the subject for our adults. Christ has power over the spiritual forces of this world and can give us strength to avoid entanglements with demonic powers that would enslave us - but - Christians have to claim Christ's power and victory over personal vices and occult powers.

Dr. W.J.B. Livingston's beautiful message was entitled "ALL ALIKE", Romans 3:19-26, with emphasis on vs 23. To have his point "Reach Home", following the example of Jesus he put it in parable form. A thoughtful young father with a dulling sense of soul sickness was sitting on a pillowed window seat watching the snow gently falling, covering everything in sight. As he watched, he thought "surely there must be two alike". Soon he dropped off to sleep. An angel tapped him on the shoulder, took his hand and led him right through the window and out into the snow. The angel said "I have given you eyes to see. Look at the snowflakes. Are any two alike?" The man

replied "No". The angel then took him to the woods to see the leaves. There were thousands of them, all sizes and shapes - but - no two alike. "Would you like to see the stars?" asked the angel. "O, Yes", said the man. So up and away they flew to the land of the stars. They saw burning suns, cold planets, large and small - thousands of them, yet each different. The Bible says "that one star differeth from another star in glory" remarked the angel. (1 Cor. 14:41). "Would you like to look at people?" asked the angel. "Yes, indeed" replied the man. They visited the land of the rising sun, the country of dense jungles, the land of flowing rivers and the country of high mountains. Everywhere they saw people. Big and small, fat and lean, young and old, black like ebony, red as clay, yellow as dull gold and white like the sands on the shore. "What do you see?" asked the angel. "I see all sorts and kinds but no two of them are alike". "That's right", said the angel. "God has not made any two things exactly alike." "Isn't anything alike" asked the man. "Yes" said the angel, but that is what I want you to discover for yourself. She then took him back to the window seat. He awoke and thought he had been dreaming - then, he saw the angel. "Get your Bible and look up the verses that tell you although God has made nothing exactly alike, there are important areas where all ARE alike for the Bible says that in spite of differences, there is NO DIFFERENCE between people.

replied "No". The angel then took him to the woods to see the leaves. There were thousands of them, all sizes and shapes - but - no two alike. "Would you like to see the stars?" asked the angel. "O, Yes", said the man. So up and away they flew to the land of the stars. They saw burning suns, cold planets, large and small - thousands of them, yet each different. The Bible says "that one star differeth from another star in glory" remarked the angel. (1 Cor. 14:41). "Would you like to look at people?" asked the angel. "Yes, indeed" replied the man. They visited the land of the rising sun, the country of dense jungles, the land of flowing rivers and the country of high mountains. Everywhere they saw people. Big and small, fat and lean, young and old, black like ebony, red as clay, yellow as dull gold and white like the sands on the shore. "What do you see?" asked the angel. "I see all sorts and kinds but no two of them are alike". "That's right", said the angel. "God has not made any two things exactly alike." "Isn't anything alike" asked the man. Bible Study will be Wednesday at 7:30 P.M. with Dr. Bill leading the discussion.

The BCWG meets on Thursday from 11 A.M. to 3 P.M. This is an ideal, informal way to meet your friends and neighbors. Come on out and join us - just bring a sandwich, your

special project and maybe you can show us how to do something new. Try it.

Make your plans now to attend the monthly POA Board meeting on the 12th. The more you attend and express your ideas and opinions, the more you will get out of it.

Letter To The Editor

Dear Sirs:
Enclosed is a copy of a letter I sent Mr. Carroll Smith at Northside Auto Sales & Service in Edenton. The situation was that my car broke down at the edge of town on January 11. I was referred to Mr. Smith as a top mechanic in your area. Mr. Smith and his mechanic, Jeff, dropped their other work, fixed my car, and had me going again in less than an hour. To beat all, I was also only minimally charged for this very professional repair.

In many towns I could have been left all night and stuck with a hefty charge. My warmest thanks go to Mr. Smith and his company, and my highest recommendation of his service to the Chamber. Northside Auto is really an asset for your beautiful town.

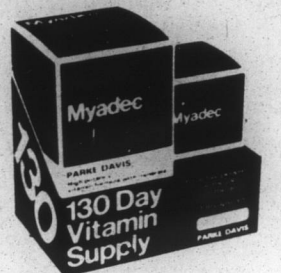

Sincerely,
H. Clifford Inge Jr.
Sales Representative
J. J. Haines & Co. Inc.

Dear Mr. Smith,
I want to thank you and your mechanic, Jeff, for your fine service on my car. As an "out-of-towner" I really expected trouble both getting my car fixed and getting an out-of-town check

CARD OF THANKS
The family of John Harrison Potts wishes to express its sincere thanks and appreciation for the flowers, cards and memorial gifts given during the death of our love one. We want to thank all the doctors and nurses of Chowan Hospital and especially the staff of Unit B.
May God Bless each and everyone.
The Family of
John Harrison Potts
pd.

Why should you take Myadec?

Vitamins are essential for good health and nutrition. High-potency Myadec contains 9 important vitamins and 6 minerals—an ideal formula for active people on the go. Take care of yourself with Myadec Capsules or Tablets.
