**TRIP TO AURORA AND PHOSPHATE MINE** — Arrangements will soon be complete for 4-H'ers to visit Texas Gulf Sulfur Phosphate Mine at Aurora on Friday, April 8th. Also on the way going we will stop at the Washington Garment Company and see their clothing operation.

The Phosphate Mine is the largest farm related industry in North Carolina. It supplies phosphate for major parts of the Corn Belt. The phosphate is dug out of the ground 200 feet below sea level by a giant crane.

We will eat lunch in Washington at Hardee's or MacDonalds or both. We have spoken for both

Chowan and John A. Holmes activity buses. However, we may drive only one bus according to the number wanting to go. The cost will be \$2.75 to ride the bus. This does not include lunch.

It is imperative that we know ahead of time how many are going so that we can let the folks at Texas Gulf Sulfur know how many to expect and the clothing factory, too.

Please let us know if you are going and pay for riding the bus not later than Tuesday, April 5th! Remember you will be allowed to take one well behaved friend with you.

We would like to suggest that you let us know if you are going at your March meeting and pay at that time!

**PULLET CHAIN** — There is still time to apply for baby

chicks through the 4-H Pullet Chain. If you would like a project that your whole family can benefit from, the Pullet Chain is it. These pullets will supply eggs for your family, in addition to have some to sell to your neighbors or others, when they reach the laying cycle. You do not need a large investment to get started with this project. If you are interested please let us know as the order must be placed for these checks by March 20th; and will be delivered around April 15.

**JUNIOR LIVESTOCK SHOW** — The Junior Livestock Show will be held on April 19 at the American Legion Fairgrounds. We hope by now all of you have your pigs shut up and separated from other livestock on your premises.

We will have about the same number of boys and girls participating this year as the previous year. The following is a list of boys and girls that will be participating in the show with market hogs: Wayne Forehand, Dwayne Forehand, Steve Forehand, Edwin Forehand, Gregory Forehand, Randy Lowe, all of Advance 4-H Club; Debbie Jordan, Anna Goodwin and Joseph Goodwin, Yeopim 4-H Club; Donalton White, Renee Sanford, Arnold Sanford, Jr., Center Hill-Cisco 4-H Club; Jeff Toppin, Oak Grove 4-H Club; Lisa Saunders, Debbie Ward, Ryland, Jr.; Jay White, Center Hill 4-H Club; Ivey Ward, Andy Hare, Karen Ward, and Kathy Bateman, Ryland, Sr. 4-H Club.

Those that are participating with steers are as follows: Jane Parrish, Yeopim 4-H Club; Bill Jordan, Bob Jordan, Jill Copeland, and Randy Copeland, Ryland, Sr.; Gary Copeland, Harriett Winslow, Ryland, Jr. and Alvin Ray Winslow, FFA.

If you know of any boys and girls who are not mentioned above and/or planning to participate in the Livestock Show or have any questions regarding the show, please let us know.

**CORN PROJECTS** — It appears that we will have a good number of corn projects this year. We will not help 4-H'ers take soil

Students who are age 18 or older and who get monthly Social Security payments will soon receive an attendance report card that should be filled out and returned to Social Security as soon as possible.

The cards are mailed about 3 months before the end of the school year.

The information on the attendance report helps Social Security to determine if the student can continue to get monthly payments.

Delays in returning the report can mean a delay in future payments.

Full-time students age 18 and older who remain unmarried can get Social Security checks until they are age 22, if their parent gets Social Security payments or has died after working long enough under Social Security.

Over 700,000 students in colleges, high schools and trade schools get monthly Social Security checks.

Students who need help with the attendance report or need information about Social Security benefits can call or write any Social Security office.

The Elizabeth City Social Security office is located at 111 Jordan Plaza, next to Southgate Mall (phone 338-2161) and is open 9:00 to 4:30 weekdays.

# "I can't think of a better investment. And it's great to be young & independent."

When you study the time involved in raising chickens for Perdue, you come out making a lot more money per hour than on most other farming endeavors.

And when you look at the cost of some of the expensive farm equipment you need these days, equipment that will probably be worn out or obsolete by the time you finish paying for it, you can only draw one conclusion. Perdue's

Thomas Chappell, Jr. — Belvidere, N.C.

an excellent investment.

Another point, if you tend two or three broiler houses like we do, it's not that much harder than tending one.

I'm living proof of that. Right now I'm making plans to work on my Master's Degree. Since we do most of our routine work in the morning, my afternoon schedule is pretty flexible for doing those things I've always wanted to do.

Of course, we really investigated Perdue and talked to other growers before going into business for ourselves.

But with that Perdue contract, it's a sure thing. And it gives us good cash flow throughout the year.

Please send me more information on Perdue Broiler Programs.
