

# The Bandon Notebook By Maggie B.

Sunday morning as I gazed at the still, smooth waters of the beautiful Chowan River, I was filled with thanksgiving for all God's Countless blessings and was reminded of an old Sanskrit proverb:

Mrs. Roy Housden as a gift of love. Roy's been very ill for months but in spite of being in constant pain, he personally installed the system in the Chapel Saturday with the help of his wife, Kitty. Mr. Bunting also

Meeting on first Tuesday in April (5th) to discuss what they will serve and when. Everyone interested in the Sunday School is invited to attend.

Mrs. Bobby Jean Holt sang "It Took A Miracle". Her beautiful voice rang out loud and clear, emphasizing the inspirational words of this lovely old hymn, bringing tears to the eyes of many and a spontaneous compliment from Mr. Al Church.

Chapel Friday morning, from 8 A. M. on, armed with ladders, buckets, mops, etc. for spring cleaning of church and fellowship hall so it will be in ship-shape condition for Easter. See you there.

friends of Mrs. Missouri Byrum who graduated from this earthly planet last Friday morning. Rejoice. God has taken her home where there is no suffering.

Cubmaster Tom Gacki. Parents present were welcomed and thanked for support given to the Pack. Easter flower arrangements were displayed, den stunts were performed and songs sung by Cubs under Den Leader Dot Gacki's guidance. The Cubs received awards as follows: Tommy Bevins:

Wolf Patch, 1 gold and 3 silver arrows; Emil Gacki: 3 silver arrows; Jerry Marlowe: 1 Gold Arrow; Barry Swain; 3 silver arrows; Alfred Lassiter: Bobcat Patch; Dean Lamb 1 gold and 3 silver arrows; Bobbie Koraska Recruiters Patch. Den Chief Chuck Meeler invited the members to visit Camporee to be held at Holiday Island, Saturday evening, April 30th. A play featuring Indians will be put on by the Boy Scouts. We all missed Charles Tynch and Butch Byrum who were absent.

Look to this day!  
For it is Life, the very life of life.  
In its Brief Course be all the verities and realities of your existence:  
The bliss of growth;  
The glory of action;  
The splendor of beauty;  
For yesterday is already a dream, and tomorrow is only a vision;  
But today, well lived, makes every yesterday a dream of happiness, and every tomorrow a vision of hope.  
Look well, therefore, to this day!  
So, as Elizabeth Ellen Long said so beautifully:  
Never put a kindness off,  
Never wait to say  
The word of praise or sympathy  
Which someone needs today.  
Lest suddenly it prove too late  
For anything but ruing  
The helpful, thoughtful things  
You never got around to doing.

Supt. H. T. Bunting joyfully welcomed the fine group assembled for Sunday School at Bandon, especially the large turnout of youngsters. He reported we were thankful for the fine PA System donated by Mr. and

expressed appreciation to the fine group of men who turned out last Tuesday to get the pews back into shape before arrival of the new pew cushions. Attendance Contest: Women are the winners! The losers (men) will get together at the Class

Please add our friends to your prayer list as well as our missionaries and our beloved pastor, Dr. W. J. B. Livingston.

Dr. W. J. B. Livingston's powerful message was "How To Make Everything Work To Your Good", Romans 8:28-39. All things work together for good to all who love God. Paul wrote out of his actual experience. He could say "I know that all things work together for good for me". I believe as it worked for Paul, it will work for me and you.

Our deepest sympathy is extended to the family and
