

Ladies Exercise Class To Begin Next Wednesday

Ladies Exercise Classes will begin Wednesday, Nov. 2 at 7:00 in the Edenton National Guard Armory. There is no charge for these classes.

Midget Flag Football season ended last Thursday with the Tournament Championship game between the Dolphins and the Packers. The Dolphins offense was just too much for the Packers as the Dolphins won 26-14. Each player and coach of the Dolphins received a trophy. All other participants in the league got individual medals. Congratulations go out to everyone for a very exciting football season.

The Edenton Band Parents Association and the Edenton-Chowan Recreation Department would like to thank Jimbo's Jumbo's for donating 50 peanut sacks and plenty of peanuts for our fun and games at the intermission of the Horse Show out at the Fairgrounds. Also we would like to thank J.H. Conger and Son for lending us a 21 foot pole for our grease pole contest. All kids and adults had a great time in our Fun and Games program. Next year will be even better.

ENDORING STATE BOND ISSUES AND AMENDMENTS—Television personality Arthur Smith is shown in the studio as he video-taped his strong endorsement of the State Water-Sewer Bonds, the State Highway Bonds, and all five of the State Constitutional Amendments that are on the ballot in the November 8 election. Smith is a member of the State Committee For The Right To Reject Or Re-Elect, and gave his television approval to all seven items on the state ballot as his personal public service contribution to the Committee and the State, for which no charge was made. The picture of Smith was taken by Hugh Morton, chairman of the Committee For The Right To Reject Or Re-Elect, which is sponsoring the airing of the endorsement on 16 stations.

Peanut Festival Scenes

HOLD THAT POSE—A camera conscious clown pauses at the intersection of Broad and Queen Streets to offer his best to the photographer.

HOLMES BAND HEADS PARADE—Leading off Saturday's Peanut Festival parade was the John A. Holmes High School Band, shown above as they approach the large crowd of spectators waiting on South Broad Street. The second annual event was sponsored by the Edenton-Chowan Band Parents Association as a fund raising project to continue and expand the band program in the Edenton-Chowan Schools.

Some people believe that storms are caused by blackbirds.

Stage and screen actress Susan Clark doesn't need a cue card to remind her that a goal of the American Cancer Society is to "wipe out cancer in your lifetime." Among her many roles was that of golf star Babe Didrikson Zaharias, who came back after a bout with cancer to win the U.S. Women's Open.

The first scientist to distinguish vertebrates from invertebrates was Jean Baptiste de Lamarck, around the turn of the 19th century.
