

Bandon Notebook By Maggie B

Faith! That intangible, unquestioning belief in God's promises which fills us with trust, confidence and assurance, and keeps us going in spite of any obstacles placed in our way! Such faith was vividly displayed last Thursday by a beautiful young lady visiting the BCWG with her mother.

Mrs. Sharon Nichols, daughter of Mrs. Marion Shepley and granddaughter of Mrs. Grace Schie shared with us something great in her life. She is a member of the Suffolk Women's AGLOW Organization. Some time ago she felt that she had been "called by the Lord" to attend an "Outreach Seminar for Christ" so she could witness for our Lord and perhaps bring His Word to some lost soul. The Seminar was to be in Chicago, Ill. for six days in November 1977. Although she firmly believed that she had been "called by God" to go, she knew it was financially impossible.

In faith, she said "If God has called me to go, He will provide a way." Shortly thereafter, she was asked to sing for a funeral. She was given a check for \$10.00 — the first money she had received for singing! This ten dollar check was the

beginning. God indeed provided — money began to come in from many surprising sources and Thursday all her needs to make the trip had been provided for! Sharon radiated Christian enthusiasm as she spoke — the light of Jesus Christ shown through her — in her brilliant smile, dancing dimples and lovely bright eyes!

If He knows when a robin falls from his nest
And He grieves when He sees it die
If He kisses the rose with the morning dew
How much more does He love you and I.

If He cares for the Lily of the open field
And He kisses each petal with dew
If He acknowledges a tree when the wind makes it new
How much more does He love me and you.

He can speak just one word and calm an angry sea
And "peace be still" can calm a roaring wind
Then He can speak "peace be still" to the storm that's within
And that's how much He loves you and me.

There wasn't a dry eye in the room. She is truly an inspiration to all that see and hear her — a daughter to be proud of. If she were mine, I'd be "kissing my buttons". Please remember her in your prayers. She leaves for Chicago on November 1st.

Sunday was a glorious day — just right for giving thanks to our Heavenly Father for His countless blessings. Supt. Wm. F

As she and her mother prepared to leave, Marion asked that Sharon sing her "favorite" song. A "hush" fell. Then, completely accapella, Sharon's rich, mellow voice flowed smoothly throughout Fellowship Hall, her melodious tones (true pitched) were quite evident as she clearly enunciated these beautiful words:

"Happy Birthday" was sung by all in honor of Deacon Dave Lapham as he placed his contribution in our Birthday Bank.

Prayer List: "Prayer is a shield to the soul, a sacrifice to God, and a scourge for Satan". Anon. Please add our friends to your prayer list. "Duck" Reid received good news last week when he went back to the hospital — his muscles seem to be stronger and the bone has begun to knit! Pray that this courageous young man's leg will be healed; Please remember Roy Housden and his wife, Kitty; Lloyd Jernigan; Dot Nixon; Gertrude Clark; Lula Workman; Thomas Blanchard; Winnie Bottoms; Elizabeth Rogerson; Rufus Smithson; and our missionaries Nita Pride, the David Smith family and our beloved pastor.

Our Junior's subject was "Seeking God's Presence", Exodus 25 & 40; Lev. 9, taught by Mrs. Mary Elizabeth Beach. Aim was that the student may seek fellowship with God in the way God has provided.

The BCWG meets Thursday from 11 AM to 3 PM. Why not join us? Just bring a sandwich and your favorite project. We have coffee. Don't forget to give to the "Cancer Fund" when one of these fine ladies call

on you. —

"Discovering True Security", Luke 12:16-31, was the topic for our adults skillfully and sincerely taught by B. Kent Rowley. Aim was that adults make it their life's goal to know God rather than increase their wealth.

An inspiring duet entitled "He Washed My Eyes With Tears" featured Choir Director Bonnie Price and her mother, Mrs. Doris Squires, accompanied at the piano by Bonnie. Their voices harmonized perfectly — the lovely words were a sermon in themselves.

responsive and effective public decision-making process that reflects the needs of its citizens; and
WHEREAS, Citizen involvement is consistent with and a part of the concept of a democratic process, and
WHEREAS, Citizen involvement helps to overcome frustrations and alienation thereby increasing the commitment of citizens to their community and its well-being, and
WHEREAS, Citizen involvement can help in overcoming biases inherent in current decision-making processes and lead to wiser decisions more reflective of citizens' views, and therefore more beneficial to both citizens and their elected and appointed officials, and
WHEREAS, Citizen involvement is an essential part of the Community Development process outlined in Title I of the Housing and Development process:
1. CITIZENS ADVISORY BOARD FOR COMMUNITY DEVELOPMENT. A Citizens Advisory Board for Community Development was created by resolution of the Town Council. Structure of the Citizens Advisory Board is outlined in that resolution.
The purpose of the Citizens Advisory Board is to assist in the development of the Community Development Plan and Program by articulating their needs, preferences about proposed activities, selection of priorities, and assistance in development of the Application. At least one member should be selected from each Community Development area. The Board should meet monthly and its meetings shall be open to the public. Any citizen may speak before the Board at any meeting.
The Citizens Advisory Board should establish By-Laws that include sections regarding: (a) Purpose, (b) Membership, (c) Term of membership, (d) Voting, (e) Quorum, (f) Election of Officers, (g) Duties of Officers, (h) Meeting Dates, (i) Special Meetings, and (j) Amendments to By-Laws. Meetings of the Citizens Advisory Board shall be advertised in a local newspaper with general circulation in the area at least one week before the meeting. This advertisement shall state the meeting time, place, and

Dr. Bill's morning message was "What To Do With A Withered Hand", Luke 6:6-11. There are a lot of people with this handicap — they dream, they plan — but, somehow never quite have what it takes to actually carry them out.

All great actions begin in minds, but failures are those who never act on their dreams. There are people who really want to be of more service to their church and mankind — but — keep putting it off; people with habits they want to stop but their hands are "withered". They lack the power to translate their desires into action. We are all afflicted with this handicap in some way — you never know what you can do until you try.
In 2 Tim. 4, Paul tells Timothy "Do thy diligence to come before winter". In other words, don't put it off — get with it — do it today. Accept the challenge. It's amazing what God can do through people.

If you have a dream, "stretch forth your hand" and do it now, don't put it off. His power can make us what we ought to be.

Covered Dish Supper Outstanding! Capacity crowd — an abundance of good, home cooked food and luscious deserts — enjoyable entertainment! Hostesses Kay Christ and Meta Mason deserve a big "thank you" for a job well done. Young Keith Wheeler did a great job of washing all the dishes! Willie and Louise Waters will host in November

Don't forget our "Barrel of Plenty" in the vestibule. We've had to dip into it twice this past week. When you buy a can of something for yourself, buy an extra one for your brother in need.

Our deepest sympathy is extended to the family, loved ones and friends of Mr. Carey Richard Taylor who graduated from this earthly plane Sunday.

Halloween Costume Party! Where? Arrowhead Beach Club House, Sunday evening, Oct. 30th, from 6 to 8 PM for all children of Arrowhead Beach and Bandon Chapel up to 15 years of age. Many activities are planned and prizes will be awarded. Since this will be during regular "Trick or Treat" hours, adults are requested to donate apples, candy, etc. which can be bagged for each child. Bring to Chapel on Thursday or Sunday or to the Club House Sunday between 1 and 5 PM.

"If it were not for hope the heart would break."

Legal Notice

A Resolution of The Town Council Of The Town Of Edenton Concerning Citizen Participation In The Community Development Block Grant Program

LEGAL WHEREAS, The Town Council of Edenton finds that citizen involvement is necessary for achieving a more

include an outline of agenda topics. It should also include a clear invitation to Edenton citizens to attend the meeting.

2. PUBLIC HEARINGS: Two public hearings to obtain the views of citizens on community development and housing needs shall be held prior to the submission of the Community Development Block Grant Pre-application.

Notice of the public hearings shall be given once a week for two successive calendar weeks in a local newspaper with general circulation in the area. The second public hearing should occur no earlier than one week from the first. The notice shall be published the first time not less than 7 days nor more than 25 days before the public hearing dates.

The advertisement for the public hearings shall provide citizens with the time, place, and purpose of the public hearing. It shall also contain information concerning the amount of funds available for proposed community development and housing activities, the range of activities that may be undertaken, and important program requirements.

All citizens are invited to these hearings and anyone is able to be heard on what they feel are Edenton's Housing and Community needs. Public hearings for other Community Development program requirements (e.g. environmental reviews, equal opportunity, property acquisition, relocation, etc.) shall be

provided by the Town through its Office of Community Development. All public hearings will conform to the above requirements.

3. NEIGHBORHOOD PUBLIC MEETINGS: The Citizens Advisory Board shall hold public meetings whereby neighborhood residents will be able to meet with the Board and Community Development staff to tell them what they feel are the needs of their neighborhoods. Meeting times and places will be determined by the Citizens Advisory Board.

4. NEIGHBORHOOD GROUPS AND CIVIC ORGANIZATIONS: The
