### Chowan College Presented Gift For New Gym

MURFREESBORO — A challenge gift of \$200,000 from an anonymous source has been promised Chowan College to help provide a new gymnasium-physical education center. The announcement was made by Chowan President Bruce E. Whitaker and E. L. Hollowell of Edenton, national chairman of "Accomplishing Our Mission", Chowan's development program to secure a new facility.

Dr. Whitaker said the challenge gift is being given on a one to two basis for pledges and gifts above the \$25,000 mark. He explained that after Chowan receives the next \$400,000 in pledges and gifts, the college may anticipate receiving the \$200,000. At that point, Chowan will have received \$1,225,000 toward its \$2-million goal, the anticipated cost of the new gymnasium-physical education center. Chowan's president said the \$200,000 gift is the "largest gift from an individual, corporation, or foundation in the history of the college."

Hollowell said the many features of the new gymnasium-physical education center will increase Chowan's ability to train young men and women for their future lives. He said these features include full-size basketball courts, two classrooms, weight room, wrestling room, four non-regulation courts (handball and paddle tennis), steam bath, sauna, therapy room, laundry room, and an Olympic size swimming pool.

Hollowell said he is confident Chowan will reach its \$2 million goal. "This substantial challenge gift is going to help, naturally. We believe it will encourage our many other friends who believe in the college and the important role it is playing in the field of Christian higher education," he said.

### Death Claims
