Being proud of local talent in our area Shepard-Pruden takes every opportunity to display the works of people from Edenton and the surrounding communities. This month the library is proud to exhibit the creations of Betty Bobbit Dixon of Edenton. Her vivid colors and flowing forms create illusions that the mind can really enjoy and appreciate. Miss Dixon is really an artist we can be proud of—so come on down to the library and see this extraordinary exhibition of local art.

Every Tuesday morning at 10:30 the library is alive with KIDS, KIDS, KIDS! Story-time is alive and well at Shepard-Pruden and we welcome any new children that haven't attended to please come and see the fun we do enjoy. This Tuesday, March 14 the film *The Little Engine That Could* tells the story of the little engine that pulled a trainload of toys to the children on the other side of the mountain. Please come to story-time kids—it really is FUN, FUN, FUN!

**Memorial**  
A Memorial for Gurney Harrell whose birthday was March 10, died 1976. You were quick to smile—So slow to frown, Gave a hand to anyone down. Happiness you gave to those you knew. No better thing could Anyone do. Your presence brought joy to our hearts, We hated so from you to part. God saw fit to call you away But your memory is here to stay. The blow was hard—the shock severe, All the while God was near. Only those who have lost can tell The pain of saying farewell. Until that day when we meet again Pleasant memories shall remain.

**CARD OF THANKS**  
I wish to thank each and everyone for the care they gave me while a patient in the Chowan Hospital. For the flowers, cards, visits and prayers. To the nurses who were so wonderful to me, and most of all to Dr. Hardin. May God bless each and everyone.  
Sincerely  
Georgia Dail Nixon pd.
