Our meat has to pass  
3 extra inspections.

We inspect our meat three times after the  
government stamps it, so you'll always get  
meat that cooks as good as it looks.

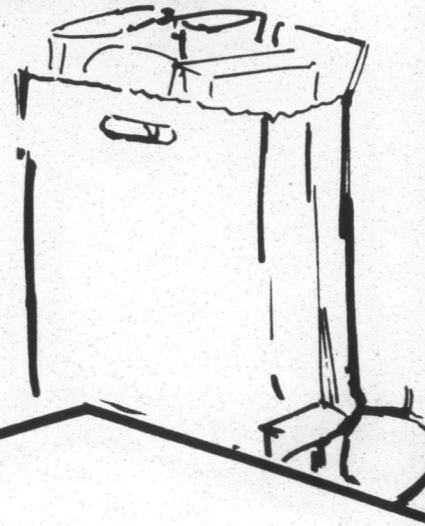

We shop in 22 countries  
for our produce.

When the world is our market, we can be truly  
choosy about the fresh fruits and vegetables  
we buy. Because we know you're choosy, too.

We buy when the price  
is right to give you  
better value when  
we sell.

Our  
careful  
shopping  
pays off  
in savings  
for you.

## Peanut Trade Show Scheduled

**AHOSKIE** — The North  
Carolina-Virginia Peanut  
Trade Show has been  
scheduled for February 27,  
28 and March 1. The show  
will be held in Farmers  
Warehouse in Ahoskie, as  
was the highly successful  
show two years ago, an-  
nounced Shirley S. Pierce,  
show president.

The show will be con-  
ducted at a time when  
peanut farmers and others  
involved in the peanut in-  
dustry will be exceedingly  
receptive to available  
products, services and  
ideas. Ahoskie is located in  
the geographic center of the  
North Carolina-Virginia  
peanut area and is con-  
venient to customers.

The purpose of the show is  
to assemble, under one roof,  
exhibits of the major  
products and services  
available to peanut farmers  
and the peanut industry. It  
is important and convenient  
for farmers and others in  
the peanut industry to see in  
one place all the latest  
technology available. They  
not only see and learn about  
modern methods of  
production but are also able  
to make on-the-spot com-  
parisons.

About 100 commercial  
exhibits are expected in the  
show, in addition,  
educational exhibits will  
show the results of new  
peanut research.

A Cook-A-Peanut contest  
will be held in conjunction  
with the show.

A Peanut Poster contest  
will be conducted for youth.  
The Peanut Trade Show is  
chartered as a non-profit  
corporation. The show is  
sponsored by the N.C.  
Agricultural Extension  
Service, Coastal Plain  
Development Association  
and the Ahoskie Chamber of  
Commerce.

Numerous organizations  
have endorsed the Peanut  
Trade Show. These include  
the N.C. Peanut Growers  
Association, Hertford  
County Board of County  
Commissioners, and Hert-  
ford County Farm Bureau.

## Service Aids Senior Citizens

Telephone Reassurance is  
a free-of-charge service  
provided to all interested  
Senior Citizens and disabled  
persons. Daily contact, with  
a staff member at the  
Community Life Center,  
reassures the staff of the  
well-being of the participant  
in this service and also  
reassures the participant  
that somebody cares.

The participant agrees to  
call the Community Life  
Center during a specified  
time, Monday through  
Friday. If, at the end of a  
specified time, a call has not  
been received, the Com-  
munity Life Center will try to  
exhaust all possible contact  
who might know of the  
participant's whereabouts.  
In the event that the  
Community Life Center  
cannot make contact, it is  
understood that the local  
police or sheriff's will be  
called upon to assist in  
locating the participant and  
determining his/her  
welfare. In the past lives  
have been saved through  
this valuable service.

For more information  
and/or to join Telephone  
Reassurance, call your local  
health department or  
Community Life Centers  
(335-0711); Pasquotank and  
Camden) or (482-8436;  
Perquimans and Chowan).

The ladle is a round cup on  
the end of a long handle for  
easy dipping and ladling.  
Use it to serve soups,  
gravies and heavy chowder  
which are difficult to pour  
from a pan. It also permits  
gathering of the proper  
proportion of juice and food  
in something like a chowder.
