

RALEIGH — The N.C. Board of Transportation will hold its February meeting in Raleigh. Scheduled for Friday, February 9, at 10 A.M., the meeting will be held in the boardroom of the Highway Building located on the corner of Wilmington and New Bern streets in downtown Raleigh.

During its meeting, the board will consider for approval 22 highway improvement contracts totaling \$27-million. Four of these contracts are for surfacing and resurfacing 29 portions of roadway in western North Carolina.

Secretary of Transportation and Chairman of the Board Tom Bradshaw said, "Since July 1978 (beginning of the state's fiscal year 1979), our board has awarded \$126,704,344 in highway contracts to complement the Governor's balanced growth and economic development program for the state.

The board is also scheduled to take action on a request to approve an additional \$15,416 in state funds for a bus garage and office building now under construction in High Point. In December 1976 the board approved \$33,553 for the project.

Revisions in the Urban Mass Transportation Administration's (UMTA) budget have caused an increase in the proposed cost for construction of the maintenance and office facility, which is expected to be completed in March.

The monthly meeting of the board is open to the public.

Members of the Board of Transportation include: Marc Basnight of Manteo.

## Social Security News

By Lee Wallio  
**Field Representative**  
 People who anticipate that they or their children will need Social Security numbers in the near future should remember to get together the evidence they will need when they apply.

Everyone, no matter how young or old, must furnish evidence of age, identity, and U.S. citizenship or lawful admission status when applying for a Social Security number. In addition, a person 18 or older must apply in person. It is a good idea to apply well before the number is needed, since it takes about 6 weeks to receive the number after the necessary evidence is submitted.

Only original or certified copies of documents should be submitted. Photo-copies are not acceptable, and documents are subject to verification. Documents will be returned to the applicant. A birth certificate or church record of birth or baptism recorded before a person's 5th birthday is preferred as proof of a person's age and place of birth for people born in the U.S. Other documents can be used if these are not available. Evidence of identity should show the person's name and signature or photograph. Naturalized U.S. citizens should show their citizenship papers. Non U.S. citizens should show their immigration papers. If parents have trouble getting evidence of identity for young children, they might consider clinic or doctor's records, vaccination certificates, day care or nursery school record, insurance policies, or church school records as possible sources. The leaflet, "Applying for a Social Security number," lists many different proofs that can be used. The Elizabeth City Social Security office is located at 111 Jordan Plaza next to Southgate Mall (phone 338-2161) and is open 9:00 to 4:30 weekdays.
