

Sermon Topic Is Chosen

A full day is planned for the Church of Christ on Mexico Road for Sunday. The sermon topic for the 10:30 worship hour is entitled, "The Lord's Day", and for the 6 P.M. hour "How Much Can I Keep?"

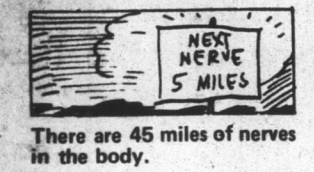

At 3 P.M. members of the congregation will conduct a Gospel Singing with the patients of Unit C at Chowan Hospital. After the singing, the youth will go to the minister's home for a period of fellowship and a chili supper.

This week Dial-A-Devotion (482-8571) will offer a 60-day printed devotional book free to all those who ask for it.

Amid a very busy schedule of church work, the church has also let a contract to Percy Halsey to begin construction on new Bible classrooms. Additional Bible classes will soon be added to the current educational program.

PROMOTE BIKE SAFETY — Mrs. Lois Snyder, left, and Mrs. Gayle Young congratulate each other prior to heading out Wednesday morning on a 75-mile bicycle ride to promote safety. The ladies were scheduled to ride from Albemarle Sound Bridge to Nags Head, in what was expected to be a 10-hour endeavor. Mrs. Young said the purpose is to stress bicycle safety on heavily traveled roads as well as the necessity for bike trails in municipalities.

Carter Gets Woodstove

A Dare IV woodstove manufactured by the Harrington Manufacturing Company of Lewiston and donated by Sen. Monk Harrington was delivered Thursday afternoon to the Presidential retreat at Camp David, Md.

The woodstove was designed by the Harrington Company and given to President Carter in recognition of the President's support of renewable energy resources. The stove sells for approximately \$895 retail, and is designed to force warm air down to the floor level for better heating.

"I'm just proud that the stove is going to Camp David," said Sen. Harrington, "because I know that people will pay attention to it up there, and they'll enjoy it more."

The stove is one of six donated by people across the country for use in the White House and at Camp

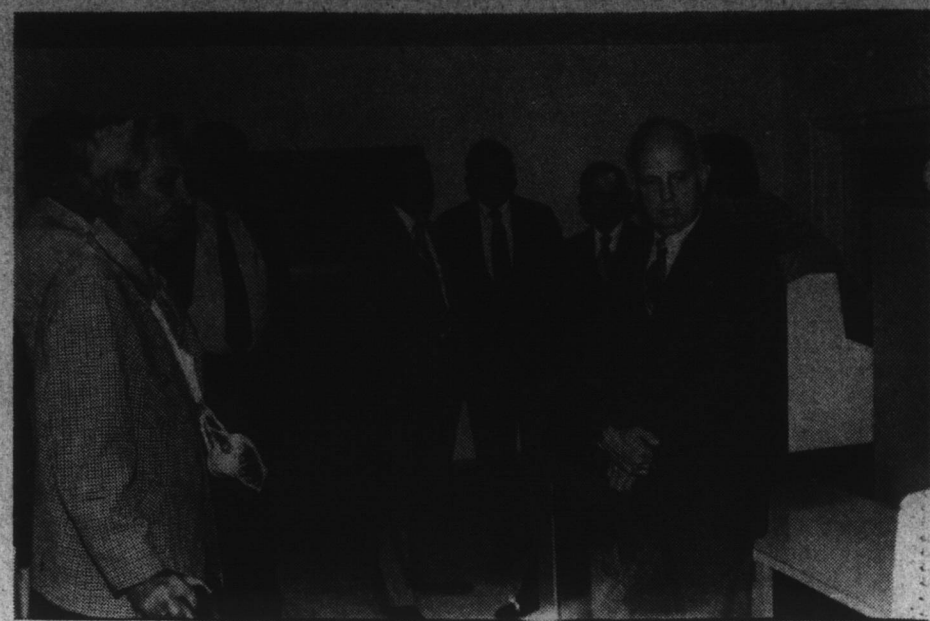

David. Gov. Jim Hunt spoke to President Carter about the Harrington stove when they were together at Camp David in July.

Harrington's company makes a variety of agricultural and industrial equipment, including bulk tobacco barns and harvesting equipment, tree shears and manufactured housing.

Horse Show Is Scheduled

The Perquimans County Horse and Pony Club will have a Horse Show Sunday at 1:30 P.M. The show ring is located four miles west of Hertford on Joe Perry farm.

This will be the last show for this year. Our next show will be in April of 1980.

OFFICIALS INSPECT DATA CENTER — The Data Processing Center of Alliance For Progress at Old Trap is now fully operational and is expanding its services to local governments and industry in the area. Last week members of Edenton-Chowan Board of Education and Chowan County Commissioners attended the first of six group sessions. Left to right are: Cecil W. Fry, Cliff Copeland (partially hidden), Ben Gammons, center director, George Jones, C.A. Phillips, J.D. Peele and Alton G. Elmore. Elmore, past chairman of AFP, has headed up the Data Processing Committee since it was formed.

The laughing gull often alights on the head of a pelican to snatch the fish it's about to eat.

Med. Officers Nominated

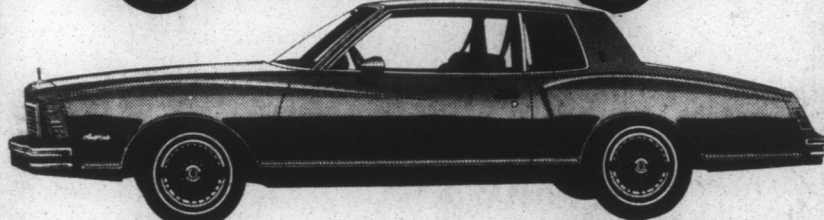

The Albemarle Association of Medical Assistants monthly meeting was held October 4 at Drs. Crutchfield and McDonald's office in Elizabeth City. The nominating committee gave its slate of officers for the coming year.

Nominated were: President, Christen Peele; president-elect, Helen Perry; vice president, Mildred Stanley; secretary, Betty Forehand; and treasurer, Grace Overton.

The program was presented by Dr. William Crutchfield, an ENT specialist. He gave an interesting talk on different kinds of headaches. He pointed out the specific questions that should be asked in order to diagnosis the patient. Another point was the importance on obtaining a good history. The program was considered as very informative.
