

Col. W. B. Rosevear

Taps have sounded for a courageous soldier who made an immeasureable contribution to his family, his church, his community and his country. Col. William Bleecker Rosevear was buried in Beaver Hill Cemetery Monday afternoon. He was an example of the passing breed of Americans whose devotion to the great principles of this country are strengthened by longevity.

Col. Rosevear was 100 per cent military, but not to the point of being overbearing. He was proud of the fact that he graduated from the U.S. Military Academy at West Point (in 1913); that he served in the U.S. Army Air Corps in both World Wars.

Those along the Public Parade who were fortunate enough to know Col. Rosevear personally are better because of the experience. It was almost a happening!

Col. Rosevear retired in 1945. Earlier he was a founding member of the highly regarded Reserve Officers Association, serving as its president in 1937. While there is much which can be said about our numerous experiences with him over the past 15 years, it is best said in a Mailgram his widow received the day of his funeral. Signed by Maj. Gen. J. Milnor Roberts, ROA executive director, it follows:

"All ROA share your grief in death of Col. William B. Rosevear, your devoted husband. Col. Rosevear for many years was a most dedicated worker for national defense through out association and his leadership gave inspiration to many of us. His record as an outstanding citizen and officer merits for him the highest respect not only in ROA but among whoever was touched by his personality and leadership.

"In tribute to his memory the officers of national headquarters and other past presidents are contributing to the Minute Man Memorial Building Fund in his name."

Col. Rosevear touched the lives of many during his 89 years. The Minute Man program, his family and community are stronger because of him. Another patriot has his final resting place along the Public Parade.

## Florida Man Being Sought By Authorities

A man is in jail in Ohio and a Florida resident is being sought in connection with the November 8 theft of stained glass windows and two antique light fixtures from **Evans United Methodist Church** on Highway 32, north of Edenton.

Sheriff Troy Toppin reported today that Paul E. Miles, Jr., 33, of Steubenville, Ohio, was taken into custody at his home there Friday. He is being held in lieu of \$50,000

A warrant is on file for James Edward Kellermier, 39, of Ft. Lauderdale, Fla.

Sheriff Toppin said Miles was given a hearing in Steubenville Monday where he refused to waive extradition. Dst. Atty. Tom Watts is now taking steps to get Miles returned to Chowan County to stand trial.

Miles resided for a while at Snug Harbor in Perquimans County, according to Sheriff Toppin. He still has relatives in the area.

The sheriff said Kellermier might be traveling in either a 1970 Chevrolet two-door, or a 1971 brown Chevrolet van. He said information concerning the whereabouts of the suspect would be kept in confidence.

Sometime during the early morning hours of November 8, the two antique light fixtures and 13 stained glass windows were taken from the church. The investigation by Sheriff Toppin, Deputy Joseph Byrum and SBI Agent Kent Inscoe led them to a Virginia antique dealer where they were recovered.

Value of the items recovered was placed at \$5,000.

Several other break-ins in the county are actively being investigated, including one at another rural church.

### For Contempt Of Court:

# Drunk Defendent Is Jailed

.A man was sent to jail Tuesday morning before his case was tried in Chowan County District Court. Clyde Leary, Sr., was found in direct contempt of court for being intoxicated and disruptive.

Judge Richard Parker sentenced him to three days in jail. State Trooper M. J. McArthur had arrested Leary for being intoxicated and disruptive as well as failure as a pedestrian to yield right of way. The defendant failed to answer when Asst. Dist. Atty. Michael Johnson called the

calendar. A short time later Leary came into the courtroom. Attempts by

Deputies Joseph Byrum and Melvin Evans to quiten the man failed. Judge Parker instructed the officers to take Leary to Edenton Police Department for a breathelyzer test.

As Deputy Evans escorted him from the courtroom he said: "But I ain't driving."

The deputy returned Leary to the courtroom later in the morning and handed Judge Parker the results. Point 17. The judge found Leary in direct contempt and continued his other cases until Trooper McArthur's next court

## **AADA** Elects New Officers, Awards Presented

The annual meeting of Albemarle Area Development Association Tuesday night included the election of new officers, the presentation of community development and industrial awards, as well as reassurance from a state official that area highway projects are on schedule.

Sec. of Transportation Tom Bradshaw told an audience of more than 150 people that while there is a big "shortfall" in highway funds, area projects, such as improvements to U.S. 17, will ntt be curtailed. He called U.S. 17 a major north-south coastal highway which has top priority. The Department of Transportation is now totally committed to fourlaning 150 miles of the routewhich amounts to one-half of the total distance through North Carolina.

Bradshaw called development association work very important because it "gets you together." He said it got the area together behind the \$300-million road bond issue in 1977 and he thanked the group for the support. He said the AADA Highway Committee, headed by Baxter Williams of Currituck, is very effective.

He said the people of the area should be pleased with progress made in carrying on with building a stronger foundation from which the "goodliest land" of pioneer days began.

Transportation is more than highways, he pointed out. His department is concerned with aviation, public rural and rail transportation. He said plans in all areas are being made to conform to Gov. Jim Hunt's balanced Continued on Page 4

Funeral services were held Monday afternoon for Col. William Bleecker Rosevear. Col. Rosevear died Sunday.

The services were held at St. Paul's Episocpal Church at 2 P.M. with Rev. Fred Drane and Rev. Raymond Storie officiating. Burial was in Beaver Hill Cemetery.

Col. Rosevear, a 1913 graduate of the U.S. Military Academy at West Point, was 89. He resided at 121 West King Street.

A native of Saginaw, Mich., he was the son of the late William Bleecker and Elvira Allen Rosevear. He was married to Mrs. Gertrude Shepard Rosevear, who survives.

Also surviving is a step-son, Marvin Byron Smith, III, of Edenton; and three brothers: Osborn Rosevear of Bloomfield Hills, Mich.; Robert J. Rosevear of Grants Pass, Ore.; and Burton Rosevear of Floral City, Fla.

Col. Rosevear retired from the U.S. Army Air Force in 1945 after serving in World War I and II. He was a founding member of National Reserve Officers Association, and served as president in 1937; was a life member of Edward G. Bond Post No. 40, American Legion. He was also a member of St. Paul's Episcopal Church where he served on the vestery for three years.

was drawn and Copeland was arrested again on the same

charge.

W. T. Culpepper, III, the defense attorney, argued before Judge Parker that the state failed to offer sufficient evidence for him to find probable cause. In fact, he stated, the state had not shown that a death had resulted from action by his client.

The only defense witness, Mrs. Miriam Byrum, a license practical nurse, testified that the alleged victim was alive when he was taken from the scene by Edenton-Chowan Rescue Squad.

Copeland was arrested November 28 and charged with the slaying of Samuel Langley. The incident occurred on SR 1303 near Tyner shortly after 1 P.M.

Deputy Joseph Byrum testified that in response to a call he went to the scene, arriving about 1:35 P.M. He said a body was on the shoulder of the road. He said Deputy Melvin Evans and the rescue squad arrived minutes

The deputy testified that he found Copeland on the steps of the Byrum home nearby. "He was all to pieces," the deputy said.

Deputy Linda Terry read a statement Copeland gave investigators later in the day. In it he said he had been followed by the victim and repeatedly threatened. "I was absolutely scared to death," Copeland was

Mrs. R. T. Harrell, Sr., continues to accept the responsibility of representing the Chowan Hospital Auxiliary in the Rocky Hock Community, according to Mrs. Thelma Smith, president.

Mrs. Smith noted that over the years Mrs. Harrell and scores of other volunteers have had outstanding results in securing auxiliary members.

Mrs. April Lane headed the 1979 drive which has been declared a big success. Mrs. Charles Woodard headed the campaign in Hertford.

Money raised from the membership drive is used for hospital improvements and the purchase of needed equipment.
