> "Happy Birthday" was sung by all in honor of Hilda Strictland as she place her contribution in our Birthday Bank.

> The beautiful body of beliervers gathered for our Worship Service were welcomed by Wm. F. Smith. Chairman of Deacons. Rev. Atlee Hershberger gave the opening prayer. Deacon Smith performed the opening exercises and after the Choir's Anthem, introduced our guest minister, Rev. Frank Meyer.

Rev. Meyer's message was "Look to Jesus and Live", Matt. 18:15-22. In vs. 22 Jesus answers Peter's question as to how often he should forgive someone who sinned against him; Jesus said to forgive them 70 time 7 - 490 times in one day, then start over again.

Commentng on vs. 19, Rev. Meyers remarked "if God really means this, and I believe He does, why don't we have fantastic thing happening? The answer is that it is so hard to find two

on anything, especially in the Church, and even in marriage.

What stands in the way of us getting our prayes answered? Part of the answer lies in vs. 15 "Moreover if thy brother shall trespass against you, go and tell him his fault between thee and him Alone..." If there is anything in the church that we don't follow, it is this verse. We are prone to tell it to others, they tell someone else, they repeat it, and by the time it gets back to you it is emblished and magnified so that you don't recognize it. This is exactly what happens in many of our churches today. When people see the person being talked about, a sense of doubt arises and then they watch everything he does and - when it gets back to

If our eyes could be opened spiritually this morning, I believe we would see all kinds of things that bind us and keep us from being the beautiful people and the happy group that God wants us to be. God loves us - He meant for us to be free and joyful - He didn't mean us to be full of fear. The key phrase is for us to forgive. How? Use these five steps - they work. 1— To

telling his side of the story.

specific - you have to name the person and name the sin; 2- You will to forgive. In the name of Jesus you forgive John Doe for such and such - say that until the feeling gets through; 3-Tear up the IOU's. God forgives you and washes the slate clean; 4- You must forget. That is what God does for us. You say you can't - Yes You Can. Your will is stronger than your rememberer! Ask God to purge it from your mind: 5-Look upon that person with compassion. What happens so often is that we find it convenient to look the other way or snub them. Is that what you want Jesus to do to

If you follow the steps outlined today - face the one who trespasses against you on a one to one basis and him, he is angry and starts follow the steps that will allow you to forgive. your heart will be so free - Jesus wants you to be free. Forgive as you are forgiven. Jesus tells us these things because He wants us to be free, joyful and happy.
