

Mr. Cain To Present Concert

Baldwin Product Specialist, Kevin Cain, will present a concert on the Baldwin Organ at Harris Music Center Southgate Mall, Elizabeth City.

Kevin plays a wide variety of popular music and utilizes several different styles of playing...Theatre, Jazz, Down-Home, and Pop.

Born in Greeley, Col., and raised in Denver, Kevin spent many hours in his early years in front of the family Victrola listening to big band recordings. Playing trombone in school, Kevin started organ lessons at age 13. His first professional job was with his high school band director's combo at age 15.

Mostly self-taught, Kevin has played for hundreds of concert and night club audiences from coast to coast. His recent musical activities include composing, producing, recording and engineering radio station jingles and commercials for a Denver-based recording studio.

Kevin specializes in using the Baldwin Organ as an artist would use his palate...producing sound textures and tonal colorings from sublime to unusual, with unique arrangements to match.
