# New Dental Facility

Construction work on the new 3800 square foot dental offices of Drs. Hornthal and Sick was completed on October 30, well ahead of schedule. Building on the project began when Don Naeger, the foreman for Bank Building Corporation which is the planning firm based in St. Louis, Mo., and Bass Construction of Edenton broke ground at the site on July 15.

Dr. Kenneth Manning, an orthodontist from Washington, N. C., and Dr. Jasper Lewis, a childrens dental specialist from Greenville, N. C., will continue as they have in the past to time - share in the New Mark Drive location. Plans are under way for an additional specialist's satellite practice in the office in the near future.

The offices of the dental partnership are scheduled to move during the first week of December. New dental equipment and furnishings will be installed during the next two weeks, and equipment presently being used will be transferred when the offices are closed on Dec. 2, 3, and 4. Patients with appointments on Dec. 7 and thereafter will be seen at the new location. The address on Mark Drive is just off the recent Hicks Street extension and is directly behind the Chowan Hospital.
