HOME FINANCING... DOES 3 OR 4% MAKE ANY DIFFERENCE?

The LEXINGTON 4 BEDROOMS — 2 BATHS

10% FOR OUR CUSTOMERS

ANNUAL PERCENTAGE RATE

Jim Walter offers you 10% mortgage financing when he builds your home. Do you know how much this means to you? Just 3 or 4 percent more, over a 20 year period, amounts to many extra thousands of dollars.

Here are some facts for you to consider. If you sign a 20-year, \$30,000 mortgage at only 13%, you will pay back \$14,872 more than for a Jim Walter-built-and-financed home having this same cash price. On a 20-year, \$35,000 mortgage at just 13%, you'll pay back over \$17,000 more. That's 17,000 of your dollars! Can you afford to give away this much money? With Jim Walter, your monthly payment on a \$30,000 mortgage is only \$289.50, based on the example below. For comparison, at 13%, your payment would be approximately \$351.47. That's \$61.97 MORE! THINK OF THAT! \$61.97 more you'll pay every month for 20 years.

But that's not all... with Jim Walter there are NO "Points" or "Closing Costs" and, in most cases, NO DOWN PAYMENT is required. Credit approval is usually a matter of one or two days instead of the weeks and weeks of most mortgage companies.

Shop and Save When you shop around for a builder, be sure of your total costs. Find out how much your interest rate will be, then ask your Jim Walter representative to show you comparison figures. While he's there, take a close look at what Jim Walter has to offer. Let him show you our more than 20 homes that can be built on your property almost anywhere to almost any stage of completion from the shell (unfinished inside) to 90% finished. This means you can do some or all of the inside finishing yourself to save even more money.

So if you own property on which you would like to build, come to where your costs are low... where your value is exceptionally high. Come to where 10% annual percentage rate financing is no problem. Come to Jim Walter Homes. Call, stop by or send the coupon to your nearest display park today.
