

# Bandon Notebook: Love Maintains Individual's Dignity

By Maggie B.  
**HI, NEIGHBORS!** Do you realize that in spite of all the science and technology in our world today, man still remains the greatest marvel? What happens to man is of utmost importance. We all want the human race to become stronger, better and wiser as time goes on - and - still maintain the dignity of the individual. How can we accomplish this? By using one word - LOVE.  
 I'm presently reading a

fabulous book entitled "In His Steps" by Charles M. Sheldon. In this story, it outlines the drastic changes that occur in the community when some of its most prominent people pledge themselves to do everything in their daily lives after asking the question, "What would Jesus do?"  
 Jesus would act out of love and love is the greatest unifying power of the world. There is no limit to God's love as we see from this poem by O. J. Robertson:

"God's love is the rolling ocean so deep and very wide  
 No force can ever hope to check or stop its surging tide  
 Like craggy mountains towering upward, vast and strong and tall  
 There is no measure for His love - and - yet I have it all."

On this beautiful Lord's Day it was a pleasure and a privilege to enter the church of your choice to thank God for His countless blessings.  
 Those gathered at Bandon Chapel for Sunday School were enthusiastically welcomed by Supt. Meta Mason. Meta is an outstanding Superintendent and it warms the cockles of her heart to see so many people present. The adult lesson taught by Margaret Bunting was entitled "Jesus Reinterprets Worship", John 4:7-14, 19-26. Bible truth was that real worship emphasizes a person more than a place. Aim was that students will identify ways to make their worship more alive and personal.

Prayer List: Rev. Thomas Foy tells us that "one little prayer ascending from a man bowed low in prayer can pierce the highest heavens and bring down blessings rare". Please add our friends to your prayer list. We were delighted to see Pauline Johnson back in

our midst following her ordeal with broken bones. Please continue to pray for her; our good friend, Grace B. Harvey, is suffering with a tumor on her leg. Her many friends in the area can drop her a card at 401 Rio Concho Dr., Apt. 605, San Angeles, Texas, 76903; Eugenia Castellow, sister of Meta Mason, is very ill and needs prayer; Lois Lane is confined to Pitt Memorial Hospital, Greenville. She, her husband and children urgently need your prayers; Margaret O'Brian, one of our faithful choir members, has been struck by the flu bug. Pray that she will soon be back with us; Mrs. Sue Britt, mother of Bobbie Hitt, is very ill and needs prayer; Joan Wilshire, daughter of my neighbors, Dick & Elsie Wilshire, underwent foot surgery Wednesday at the Williamsburg Community Hospital, Williamsburg, Va.; Lucy Shelton, Elsie's aunt, spent 2 weeks in Intensive Care following surgery. She is still confined to Mary Washington Hospital, Fredericksburg,

Va.; Robert Humes is confined to Mary Washington Hospital, Fredericksburg, Va. following hernia surgery; Pearl Furlough, our Book Mobile Librarian, is ill and needs prayer; please remember Dot Gacki; Jessie Baines; Bob Lepley; Helen Skinner; George Logan; Lola Castleberry; Mrs. Mattie Nixon; Jack Harvey; M. W. Darden; Tom Blanchard; Karen Whitley; Wm. T. Webb; Jerry Marlowe; the family of John Maxwell, Chowan Beach, whose soul passed through the veil Saturday; our Nation, its leaders and its people; our missionaries; and our pastor, Rev. Robert S. Harrell and his family.

"Happy Birthday" was sung by all as Sally Davis and Jessie Hitt placed their contributions in our Birthday Bank.

At our morning Worship Service, the shepherd of Bandon's flock, Rev. Robert S. Harrell, welcomed everyone present, especially our first timers, Mr. and Mrs. Dick Wilshire, new residents of Arrowhead Beach and Mr. and Mrs. John W. Forester of Stantonsburg, N.C., guests of Mr. and Mrs. H. D. Woodard.

Treasurer Gil Holt gave the Audit Committee Report which showed a small net gain. However, he indicated that all expenses were gradually going up. He announced that envelopes for contributions were on hand for distribution. If contributions made are to be honored by the IRS, envelopes must be used so that the Treasurer can have a record to give you if desired. No one is obligated to use these envelopes - they are simply for your convenience. If you want the envelopes, please notify Gil

Holt.  
 Pastor Bob's thought provoking message was "Have Faith", based on Gen. 12.

Opportunity! If you like to sing and make use of your God given talents, our choir needs you. Please join us at our Wednesday night rehearsals at 8:15 P.M., following Bible Study at 7:30 P.M. The fellowship is great and experience is not necessary. We have a wonderful Music Director who will help you use your voice to its fullest.

Announcements: The BCWG will meet on Thursday, starting at 10:30 A.M. All ladies in the community are invited to join in this day of fun and fellowship.  
 2. Bandon's Board of Deacons will meet Saturday at 9:30 A.M. It will be at the Arrowhead Beach home of Deacon Grover Johnson.  
 3. POA Board meeting will

be Saturday at 1 P.M. in the Arrowhead Beach Club House. All property owners are invited to see your Board in action and to give them the benefit of your ideas or suggestions. Plan to attend.

REMINDER! Don't forget the Covered Dish Supper on Friday, Feb. 19th, at 6:30 P.M. in Fellowship Hall.

Greyhound Awarded Contract

Continued From Page 7-A  
 congregation of First Baptist Church in Gatesville will be the guest speaker and guests. Pastor Whedbee invites all family and friends of Deacon White to attend this special service. Refreshments will be served following the service.

"Consistency is the last refuge of the unimaginative."  
 Oscar Wilde

## Stull Presented Award

Continued From Page 5-A  
 and moved to his current position in 1979.

Stull is a past technical consultant for the National League for Nursing's Advisory Committee on Cost and Financing Nursing Education and the Committee on Cost Analysis for Collegiate Programs. He is a member of the American Public Health Association and has been an international consultant to countries including Canada, Mexico, Lebanon, and Australia.

Donald C. Hiscott, im-

mediate past chairman of the NCHA Board of Trustees, presented the award to Stull, stating, "For many years Dick Stull has been a highly respected hospital leader both in our state and on the national level. Those of us who have been professionally associated with him are keenly aware of his many contributions to excellence in hospital administration. We are honored to present our highest award to Dick Stull, who continuously has exemplified the ideals for which all of us strive."
