## "Summer Shapeups"

by Paige L. Underwood  
Extension Agent

With the arriving of summer, it seems appropriate that the annual awards and achievement program sponsored by the Perquimans County Extension Homemakers be entitled "Summer Shapeups". Color, Fashion, and Exercise will be the three areas of emphasis to help women approach the months ahead with confidence.

Plan to attend this special program on May 27 at 7:30 P.M. at the ARPDC Office Building on Church Street Extended, Hertford. The public is invited. Sharon Noblitt will discuss the importance of individual color coding according to skin tone, eye and hair color. By knowing your color palette, color analyst contend that you save money when shopping and acquire more self esteem.

Irene Meads will show summer fashions and discuss styles, color, fabric and care for the summer.

Exercise has never been more popular. Everyone needs to include a daily exercise schedule. Juanita Bailey, Assoc. Home Economics Extension Agent, 4-H, will show and share body slimming exercises that can make the difference.

With all of this expertise, there'll be something educational, enjoyable and beneficial to someone - it may be you if you just attend the Awards and Achievement Program on Thursday, May 27 - 7:30 P.M.
