Claxton Stallings Jr.

Stalling, Scholarship Winner

Claxton Stallings Jr., Route 1, Belvidere, has been named winner of a \$500 educational scholarship from the N.C. 4-H Development Fund. Stallings, son of Mr. and Mrs. Claxton Forest Stallings, is one of 10 4-H members from across North Carolina selected to share in \$5,000 of scholarship money being distributed this year by the Fund.

Harold J. Brubaker of Asheboro, president of the fund, says the scholarships are awarded to outstanding 4-H members for college study during the 1982-83 academic year.

The 4-H Development Fund, with headquarters at North Carolina State University at Raleigh, was organized in 1958 by friends and alumni of 4-H to help support certain phases of club work.

Brubaker explained that this is the 21st year that scholarships have been awarded. Recipients, he

reported, are selected on the basis of their high school record, evidence of college aptitude and 4-H work.

An active 4-H'er, Stallings served as the Northeastern District 4-H president for the 1980-81 term, and has been showing pigs in the Albemarle Livestock Show for nine years. He has also shown thirteen steers in the local show and State Fair.

Stallings plans are to attend N.C. State University in Raleigh and study Agricultural Education. He was one of two 4-H'ers to receive this award in the Northeastern District. One girl and one boy is chosen from each district in North Carolina. Anna Rae Goodwin, daughter of Mr. and Mrs. Wallace Goodwin of Chowan County was the girl recipient. She also has an outstanding 4-H record. "We are happy for C.F. and were pleased that a winner came from Perquimans County. Hopefully more young folks

will be interested in 4-H when they realize the benefits associated with such a fine youth organization", said Jeff Copeland, livestock and 4-H extension agent.

Training Exercise

Marine Pfc. Tody V. Rouson, son of Clinton and Rosa Rouson Route 1, Roper, recently participated in an amphibious training exercise on the island of Sardinia, Italy.

He is a member of Battalion Landing Team 1-8, 34th Marine Amphibious Unit, Camp Lejeune. During the five-day exercise, his unit performed an amphibious landing and subsequent operations ashore, as well as live-fire training with French and Italian troops. The training was designed to coordinate operational methods between the NATO allies involved.

Meekins To Receive Award

MANTEO — Chauncey S. Meekins, treasurer of the Roanoke Island Historical Association for 45 years, will receive that association's Distinguished Service Award in ceremonies prior to the 42nd opening of "The Lost Colony" on Friday.

Making the award presentation will be Chief Justice Joseph Branch of the N.C. Supreme Court. The 1982 Joe Layton production of Paul Green's "The Lost Colony" will run nightly except Sundays

through August 28 at 8:30 P.M.

Meekins, a native of Roanoke Island, will have served as Clerk of the Superior Court of Dare County for 56 years when he retires in December. He has been actively involved in "The Lost Colony" since the old Roanoke Colony Memorial Association that later became the RIHA, the producing agency of America's oldest outdoor drama.

From Washington

WASHINGTON, D.C. - Rep. Walter B. Jones, chairman of the House Committee on Merchant Marine and Fisheries, has announced postponement of the Manteo hearing of the possible disposal of decommissioned nuclear submarines in the Atlantic Ocean. The hearing had been scheduled for Friday.

Rep. Jones noted that the House of Representatives is now scheduled to the key votes on the first concurrent budget resolution last week. "Most Members of Congress share my view that it is essential that we be in Washington to cast our votes on the budget. Everyone originally anticipated that the budget would have been disposed of long before the day of the hearing but, as reported in the press, thus far the House has been unable to pass previous budget proposals."

The committee remains highly interested in investigating this issue. Jones indicated that the hearing will be rescheduled later this year but noted that a specific date has not been set.

The English of the 15th to 17th centuries believed that the color red was helpful to the sick. Patients were dressed in red nightgowns and surrounded with red objects.
