

# The Chowan 4-H Club News

By Murray Goodwin  
 Agricultural Extension Agent  
 Sixty-nine 4-H'ers, friends and leaders attended East Carolina University vs. University of North Carolina at Charlotte Girls Basketball Game Saturday night. The game was a joint promotion by Agricultural Extension Service and East Carolina University. The East Carolina girls won the game 72-58.  
 Mary Dinkle was the lead scorer with 31 points and 13 rebounds. She and two other East Carolina University players played their last game before about 2,500 fans. The other two players were Caren Truske and Fran Hooks.  
 The Chowan delegation was the largest of any county there according to our understanding.  
 Before going to the game the Chowan group went on a walking tour of East Carolina University. Conducting the tour was Brian Horne, an East Carolina Ambassador. Brian turned out to be an excellent guide. He told us what was housed in each area and building. Among other things he said that East Carolina has an outstanding Art Department, probably best in the state. Also he commented on East Carolina Business School as being a good one.  
 Brian lead us from East Carolina to McDonald's and from there to Mengies Coliseum. This young man went far beyond the call of duty in

being nice to us.  
 Four'ers and friends from Chowan going on the trip included: DeAnn Morris, Sharon Bonner, Jessie Mae Cofield, Ann Brooks, Thomas Harrell, Monica Sharpe, Hope Granby, Edward Trip, Melvin Nixon, Percy Nixon, LaTanya Wilson, Daphane Simpson, Erik Pfundt, Regina Ward, Lynn Jordan, Anita Jordan, Teresa Drew, Chelsea Brooks, Tara Dillard, Talida Tyner, Keita Vanterpool, Michelle Vanterpool, Denise Moyer, Patrice Robbins, Jack Riddick, Sharon Flemming, Catherine Elliott, Rosa Ann Elliott, Kevin Simpson, Jewel Langley, Jimmy Harris, Trina Johnson, Stephanie Holley, Leah Ward, Jennifer Perry, Travis Lilly, William Coudle, Brendette White, Denita Elliott, Trina Boyce, Markeisha Drew, Crissy Coston, Cliff Vanterpool, Andy Bunch, Anthony Hathaway IV, Anthony Hathaway III, Antonette Hathaway, Dwight Bonner, Benita Brooks, Sheila Brownridge, Ann Brownridge, Christi Stallings, Mary Copeland, Tony Copeland, Billy Bass, Mark Bunch, Sarah Cooper, Veronica Cofield, Samatha Perry, Felicia Rascoe, Angela Anthony and Chad White.  
 Adult leaders and agents accompanying the boys and girls were Mrs. Margie Harrell, Mrs. Anna Goodwin, Mrs. Theresa Ford, Mrs. Teresa Jordan, John Jordan,

Mrs. Mary Ward, and Murray L. Goodwin, 4-H Coordinator.  
 Our bus driver was Calvin Parks.

## Recreation Report

**Youth Basketball**  
 There will be an awards program for all youth basketball players and their parents. It will be held Thursday, March 17th at 7:00.

**Jr. Boys Allstars**  
 Missed free throws and lay ups proved to be the undoing of the Jr. Allstar team as they fell 63-61 to Green County. The Jr. Allstar team converted only 19 of 55 free throws to drop the first round game of the EAC tourney held in New Bern. Randy Lawrence and Keith White led the team with 21 and 12 points respectively.

**Open League**  
 Tanzer Yachts upset the Bruins 53-51 for their first win of the season. Jim Morton and Wayne Copeland combined to score 36 points for the winners. Tony Johnson had 20 points for the Bruins.  
 Ryland used a 24 point 4th quarter to put away Lee's 69-59 on the last night of regular season. Bob Jordan held the hot hand for Ryland scoring 32 points. Adolf Hyman had 20 for Lee's BP.

The tournament will begin this week with the following pairings: GHP vs Tanzer, Bruins vs Ryland, Town vs Greenleaf, Valhalla Tire vs Lee's BP.

**Women's Volleyball Results**  
 March 1—Western Gas def. Independents 14-16, 15-6, 15-11; E.T. def. Mannings Retainers 15-2, 10-15, 15-7

**Aerobic Dance Class**  
 The Recreation Department continues to offer an Aerobic class for men and women. The class meets every Monday and Wednesday evening at 6:00. There is also a class offered on Tuesday and Thursday mornings at 10:00. You may call Julie Spivey, instructor, at 482-8055 for more information.

**Adult Baseball League**  
 An amateur adult baseball league is being considered for the Albemarle area of North Carolina. The league will be formed with teams from Edenton, Hertford, Elizabeth City, Williamston, Washington, and New Bern. The league will be for anyone age 19 and older. It will be affiliated with the Stan Musical Amateur Baseball Association. If you are interested in participating on a team from Edenton contact the Recreation Department at 482-8595.

Although we know much about Socrates and his sayings, nothing survives of his writings. Much of the information we have about his life and his teachings comes from the writings of others of his time.

**BRICKLAYING CONTEST**—Joseph Taylor pictured above, will be one of the students representing John A. Holmes High School at the Regional Bricklaying Contest.

## Bricklayers Win Awards

Saturday, February 26, 1983, the John A. Holmes School bricklaying classes held an inter-class bricklaying contest at the Holmes School masonry shop.

Winners in bricklaying I were: 1st place - Kendal Bohls; 2nd place - Paul Harrell; 3rd place - John Kane.

Winners in bricklaying II were: 1st place - Joseph Taylor; 2nd place - Ricky Parks.

## Passion Play Is Set For March 25

Martin County's own version of the Passion Play will open for its fourth consecutive year on March 25. The outdoor drama, "The Message of Easter," will again be presented by the Piney Grove Baptist Church in the Farm Life Community near Williamston.

From a humble beginning on a make-shift set in 1980, the drama now has a permanent home in an outdoor theater especially designed and built to further portray the last few days of Christ's life on earth. Originally built in 1981, the theater underwent a face lift in 1982 when a temple was

courage to bear it.  
 The past two weeks I have brought to you, portions of information from our Invitation Brochure. Allow me to complete this for you here. "THE SACRAMENTS - - The Sacraments of Baptism and the Lord's Supper are not man made. Jesus directed that they be observed. Baptism is meant to signify the cleansing of the heart by the Holy Spirit. The Church recognizes the validity of Baptism by sprinkling, pouring or immersion. The Lord's Supper is to be observed as the Sacrament of Remembrance.

- If you should choose to worship with us, WE PROMISE -
1. To love you as we are loved of God.
  2. To accept you as you are, and grow together with you to become what Christ would have us to be.
  3. To help you as you give us the opportunity.
  4. To rejoice with you in all the good that comes to you, and to share the burden of any misfortune or trouble that might come to you.
- We Would Encourage You**
1. To be faithful to your profession of faith in Christ.
  2. To accept the obligations as well as the privileges of Church membership.
  3. To strive to grow in your life of faith through worship, study, prayer and works of Christian love and service.
- Ways of Joining With Us**
1. By profession of faith in Jesus Christ as your personal Savior and Lord.
  2. By letter of transfer from another congregation.
  3. By reaffirmation of faith in Christ, when it is not convenient to secure a letter of transfer.

If you would like additional information, please call us.  
 We hope you have enjoyed reading this informative brochure. I do not believe I have ever seen so much general information about any church, so concisely assembled and beautifully written as an invitation to COME, WORSHIP THE LORD. Remember this wonderful season of the year and go to church of your choice next Sunday. Let us call this a Mid-Week call - Worship.

Meeting March 17-18

# CRC To Update Erosion Rates

During its regular meeting on March 17-18 the Coastal Resources Commission will consider updated oceanfront erosion rates and discuss a proposal to expand the oceanfront buffer areas for large, immovable structures such as motels and condominiums. The meeting will be held at the Ramada Inn at Atlantic Beach.

Following its January meeting, the commission directed that the erosion data and the increased setback proposal be discussed with affected local governments. Comments from those meetings will be presented. The idea for an increased buffer rose at a conference on oceanfront development sponsored by the Department of Natural Resources and Community Development. During the Wilmington conference in December Governor Jim Hunt and NRC Secretary Joe Grimsley asked the commission to investigate the in-

creased setback as a way to better protect life and property from storm and long term erosion.  
 At 10 A.M. on the 17th the commission will review public comment on four proposed rule changes. The rules being considered would set standards for: constructing beaches along rivers and sounds, permitting navigation channels through fringe wetlands and building groins for stabilizing estuarine shorelines. A fourth rule change would eliminate an

outdated reference to a hearing for applicants prior to a permit decision.  
 Committees of the commission will discuss floating homes, building code issues and hazards disclosure bill. A slide show in the cumulative effects of high density development along the barrier islands will be reviewed.  
 The public is welcome at all sessions. Commission meetings begin at 9 A.M. The Ramada Inn is located on N.C. 58 (Salter Path Road) in Atlantic Beach.

OPTOMETRIST

### Lazy Eye (Amblyopia)

The reason that lazy eye develops is not completely understood. But it is known that if a person is unable to use both eyes together, lazy eye will usually result.

Is it possible to have lazy eye and not know about it? Yes, indeed. Since amblyopia usually occurs in only one eye and the better eye "takes over" seeing for both, persons are often unaware of the condition. Periodic optometric examinations, beginning by or before AGE THREE, are an excellent means of diagnosing lazy eye.

Is early diagnosis and treatment important? Most definitely. The brain learns to

"turn off" the lazy eye. The disuse of the eye further weakens it. On the other hand, corrective lenses, prisms, contact lenses and/or vision therapy programs can be prescribed to teach the lazy eye to function normally. Sometimes, the better eye is covered with a patch to stimulate use and strengthen the lazy eye. If treated in time, clarity of vision in the lazy eye can be significantly improved.

In the interest of better vision from the office of:

### Pain In The Jaw

If you're ever experienced a pain in the jaw, you know that it can be severe, almost unbearable, everytime you open and close your mouth. Pain in the jaw is sometimes caused by a condition called TMJ syndrome or temporomandibular joint dysfunction. When the temporomandibular joints are thrown out of balance, this causes pressure on bone and muscle that can result in excruciating pain. These joints are located on each side of your head, just in front of your ear openings, and are connected to your lower jaw bone.

One of the unfortunate aspects of TMJ syndrome is that it may also cause referred pain to other parts of your body.

Headaches, earaches, ringing, buzzing, clicking, popping, and scraping noises in the ears are sometimes symptoms of TMJ syndrome. So are stiff or aching neck or upper back muscles, shoulder pains, and other discomfort and pain in the upper part of your body.

At the first sign of pain in the jaw and any other symptoms that may be related to TMJ syndrome, see your dentist immediately for treatment.

A public service with the aim of promoting better dental health environment. From the office of: **RICHARD N. HINES, JR., D.D.S., 437 South Broad St., Edenton Phone: 482-2776.**
