Clean-Up Needed

Dear Editor:
 Now that Paradise Road has become a fitting entry into the Garden of Edenton, something should be done about the worst eyesore between Bar Harbor and Key West. Tourist and non-tourist are now using this entryway to proceed down Oakum Street to the waterfront.
 Recriminations about who is responsible for the battle scene centered around the water tower are not in order. Cooperation of doers (translation: Mayor Dowd, Edenton Town Council, contractors, et al) is, I believe, the way to proceed in cleaning up, hiding, burying or otherwise taking care of the mess on Oakum Street.
 Sincerely yours
 Dr. Louis Nadeau
