Dear Friends,

You have been there for us in every way. Thank you for every kindness that has been extended to us. To each individual and to every group who sent cards, flowers, gifts of food and money, we are grateful. To Pastors Wagner and Moore and all our friends who prayed for us; God heard and we thank you and Him.

We appreciate Dr. Haskett and Dr. Voigt who took care of us, along with the fine staff at Chowan Hospital.

Particular gratitude is directed to the Rocky Hock Ruritan Club. We are thankful to all the fishermen who furnished fish, to Nixon's Fishery for their part in the preparations, to Western Gas for the fuel, and to each person who helped in any way, including those who sold and, certainly, those who bought tickets. Promotion efforts by the radio stations, WCDJ and WBXB, and the Chowan Herald are noted, too.

We cannot forget you who have made trips to Greenville during the course of treatments.

Your love and caring have been overwhelming! All we can say is, "Thank you." It is truly great to live in a community like this and to have friends like you!

God bless you!

Willis Ray and Christeen Peele

Think This One Over!

When you purchase a money market certificate from our Association much of that money is used to help people buy, build or improve a home.

When you invest in money market funds with a stockbroker ask him if he would help you finance the purchase of a home or fix up an older one. You'll probably get a blank stare.

We use your money to help make our community a better place in which to live and raise a family. We don't have the slightest idea how a broker uses your funds but we suspect it is sent to the large cities.
