**PAUSE**—Tots pause in their enjoyment of bouncing in an amusement at the Chowan County Fair. Both are probably first-time fairgoers.

## Jones Wins First Place

When the Chowan County Fair comes to town, the lights come on and the excitement of participation and the aroma of food fills the air. 4-H'er from Chowan, Bertie, and Camden counties contributed to this air of excitement when they rolled in their BBQ grills and demonstrated their culinary skills on Wednesday evening at 5 p.m. at the Outdoor Cooking Contest sponsored by the Chowan County Agriculture Extension Service.

There were three divisions to the outdoor cooking contest, pork, beef and chicken. The top three contestants in each division was awarded cash prizes. Celena Jones placed first with her "New Generation Pork Chops"; Allen Swanner, second; and Keisha Jackson, third.  
Four youth participated in the Beef Division: Lynn Jordan, first place; Mac Byrum, second place; Billie Copeland, third; and Jermaine Brooks was honorable mention. Everyone was in suspense and anxiously awaited the decision from the Chicken Division. Theresa Clark, Home Economics Extension Agent, finally announced the winners: first place went to Natasha James; second place, Anita Jordan; third place Sherrie Hill; and honorable mention was Christina Rawley.

Donors for the contest were S&R, Albemarle Cattlemen's Association, and Northeastern Pork Council. The following volunteers served as judges: Eula Jordan, Trudy Parker, Pat Mansfield, Graham Farless, Rita Jones, and Cliff Copeland.

## Committee Is Formed

A Marketing Education-DECA Advisory Committee has been formed. Members include business managers, community leaders and school personnel. At the first meeting, nine members were present.  
The committee has two primary purposes. The first is to ensure students are being taught appropriate skills for entry-level employment. The second goal is to continue to meet the employment needs of the community as Edenton continues business growth.  
The committee plans to meet at least four times during the school year. The first meeting was held at the office of John Dowd and Associates.
