

Crime Line Needs Info

White's Country Store, Cape Colony, was broken into sometime Monday night, September 7 or the following morning.

The metal front door of the store was pried open and two cash registers were broken into. Cash was taken along with loose change from a counter drawer.

Anyone with information on this crime should call the Chowan County Law Enforcement Officers Association Crime Line, 482-5100 during normal business hours. After hours, the call will be answered by a message recorder. Names of persons providing information to Crime Line will be kept confidential.

Rewards of up to \$1,000 will be paid by Crime Line for usable information.

Anyone wishing to make a tax deductible contribution to this new project should mail a check to P.O. Box 451, Edenton, N.C. 27932.

FOR CRIME LINE—Amanda Bunch, Route 3, Windsor, draws a name for the winner of a black and white TV at the Chowan Law Enforcement Officers' booth at the fair. Proceeds from the raffle will benefit the new Crime Line, set up to help "take a bite out of crime" locally. Watching are Charlie Thomas, Inspector for the Dept. of Motor Vehicles (left) and Hardy Gilliam, Enforcement Officer of the DMV and CLEOA president.

Pig Picking Is Scheduled

During these last two weeks of October, American Cancer Society volunteers will bring some good news to women of Edenton as part of the Society's 1987 residential education and fund-raising crusade.

Breast cancer, one of the most feared diseases among women, can be one of the easiest cancers to cure if it's found early. The good news is that there is a tool to detect breast cancer when it is too small to be felt. This is made possible by mammography.

Mammography is the use of a low-dose x-ray to detect minute changes in breast cancer tissue. A mammogram can single out a malignant tumor years before it becomes large enough to be felt by even the most experienced physician.

Mr. and Mrs. Jack Parker, co-chairman of the residential crusade, said the purpose of this year's crusade is to inform as many residents of Edenton as possible about cancer prevention, early detection and early treatment, as well as the Society's many service and rehabilitation programs.

As part of the campaign, more than 120 trained volunteers will distribute a folder called, "Now, breast cancer has virtually nowhere to hide" to local residents. The folder includes the ASC recommendations for early detection of breast cancer in women without symptoms:

- Breast self-examination: This procedure should be practiced every month by women 20 and over;
- Examination by physician: For women 20 to 40, examination of the breasts by a physician should take place every three years. For women over 40, this exam should take place annually;
- Mammography: Women between 35 and 39 should have one baseline mammogram, for future comparisons. Women between 40 and 49 should have this test every one or two years as recommended by their physicians. Women 50 and over should have a mammogram annually.

Students show that early detection of breast cancer through mammography can not only better one's chances of survival, it also can result in less extensive surgery for the patient.

The door-to-door distribution of the folder is only one of the many activities planned by American Cancer Society volunteers. The business drive under the chairmanship of Mrs. Sarah White is already under way.

Other special events include the annual pig pickin' and auction to be held Sunday, November 1, at Edenton Tractor and Implement Company. Tickets can be obtained by calling the local Society's office at 482-8764, or by calling the chairmen of this event, Mr. Jimmie Parrish at 482-3865 or Mr. George Jones at 482-3986.

For more information, contact the Society's Edenton unit at 482-8764.

Honor Roll Is Released

Mrs. Clara M. Boswell, Principal of Chowan Junior High School, is pleased to announce that the following students have been named to the "A" and "A-B" Honor Rolls for the first six weeks grading period.

Doing The Buyer's Homework!

When it's time to sell your home, you may consider selling on your own, without the help of a real estate agent. If so, there's some "home" work you'll probably need to do for your buyers.

Why? Because, one of the first questions buyers ask a real estate agent is "How much cash do I need to purchase this home?", and "How much will my monthly payments be?"

Since selling your home by yourself won't eliminate the buyers' questions, here are some tips to help prepare you for the answers. The cash requirements to purchase your home will depend on the type financing chosen by the buyers. For example, if financing is available on 75% of the purchase price, the down payment would be 25%. Also, other cash would be required for attorney's fees, credit reports, appraisal fees, etc., as well as

any other "up-front" charges by the lender.

The monthly payment would depend on the amount borrowed, the interest rate, and the term of the loan. This figure can be found by using an amortization book. In addition to the monthly payment for principal and interest, add additional amounts for taxes and insurance.

Actually, it is possible to itemize all of the buyers' expenses and the monthly payment - to the penny. With a simple phone call to me, I'll be happy to explain further.

If you're planning to sell your home soon and would like information on its current value, give us a call at 482-7484 or come by our office located at 431 South Broad Street.
