Thanks Is Expressed

We would like to thank all the friends, neighbors and relatives who sent flowers, cards, brought food, and extended their prayers and other acts of kindness and sympathy during the illness and death of our loved one, Cassandra Parker.

We also wish to thank the hospital staff, Dr. Christopher Perry, Dr. Lance Potocki, Dr. Blakemore and the Rescue Squad for the excellent care they provided.

Also, our thanks to the Home Nursing Care team of Georgia Rice and Hazel Alexander for the outstanding service they rendered, which made ours so much easier. In addition, we are very grateful to the Edenton Fire Department for their assistance.

Many, many thanks to each of you. May the Lord bless you all.
