• Free shipping cartons are available for Priority Mail and Express Mail packages. Packaging materials such as tape, cushioning and decorative padded envelopes can also be purchased.
• Avoid waiting in line for holiday stamps. Consider Stamps by Mail. Call your post

office for an order form.

• When purchasing holiday stamps consider buying the new 33-cent "H" stamp and avoid the last-minute rush to obtain the stamp before the new postage rates go into effect Jan. 10.
