Barker is Grand Slam tourney champ

Rob Barker of Edenton won Grand Slam honors during the recent Barta Blue Marlin Tournament held at Walker's Cay in the Bahamas. Seventy-eight boats took part

in the tournament, fishing a maximum of five lines per boat. Barker's father, Bob, said he was most impressed by the "catch and release" philosophy being promoted during the event, started three years ago. "They really encourage that," he said.

Rob Barker said he was thrilled to win.

"I've loved fishing since I was about two years old," he said. Albemarle Boats of Edenton is a Gold Sponsor for the tournament.

Bay Challenge Regatta will be held at Edenton this Saturday

Dinner, trophies to be presented

BY KERMIT LAYTON
Sports Correspondent

The Edenton Bay Challenge Regatta will be held here this Saturday, June 26. Racing be-

gins at 9 a.m. There will be two separate race courses and race committees.

The first group will host the North Carolina Tanzer 16 State Championship. Racing with them will be the Windmills and Thistles, approximately 20 boats in all.

Participating in the second group will be the Sunfish, Lazer

and Moth boats, also consisting of about 20 entries.

Following the race, dinner will be served for all participants. Trophies for Sunfish, Lazers and Moths will be presented.

Sunday afternoon will mark the conclusion for the Tanzers and Windmills.

For more information, call Jim Elliott at 482-2121.

ENJOYING SOME BEAUTIFUL CARS

Chowan County residents were recently treated to a special car show benefitting the American Cancer Society Relay for Life. The event was co-sponsored by Albemarle Motors and the members of the Chrome Pony Mustang Club headquartered in Elizabeth City. (Staff photo by Rebecca Bunch)

A harmless fender-bender?

Whiplash Symptoms

- Head & Neck Pains
- Headache
- Stiff Neck
- Heaviness of head
- Motion Restriction
- Muscle Spasms
- Tension
- Anxiety
- Numbness of limbs
- Insomnia
- Ears Ringing
- Nausea
- Loss of Balance

Not at all! What seems like a minor traffic accident can turn into pure misery down the road. Whiplash symptoms may not develop until hours, days, weeks, or even years after the initial injury. Therefore, it's important to get a thorough chiropractic examination immediately after the accident. Chiropractic care can speed up your body's natural healing process and most importantly, reduce further injury to your spine.
