

# Stay Safe This Holiday Season,

## Don't Drink & Drive

**Just a small amount of alcohol could impair your driving ability.**

If you're in a party mood this time of year, consider having a designated driver or taking a cab.

If you're hosting a party, be aware of your guests' drinking, and call a cab for someone who's had one too many. Or let them stay overnight. *It's the safe thing to do.*

Don't let alcohol dampen your holiday mood—play it safe for everyone's sake.
