Good Friends are a Blessing

Developing friendships requires patience and nurturing. It's true that the old saying, "a friend in need is a friend indeed" is quite appropriate. A good friend is considerate of your feelings and problems, and they are there for you when you need help. An act of kindness and friendship may be as simple as visiting someone when they are ill, driving someone to an appointment, or just visiting and spending time with someone. The Bible tells us that we should not forsake our friends and that a friend loves at all times. Christ has always been our supreme friend. He told us that He would never leave us or forsake us. He has been our friend and helper more than we will ever know. When Christ died on the cross for our sins, He demonstrated the ultimate act of love for us. Although we may not be asked to give up our lives for our friends, our Lord's example of love and compassion should be reflected in our daily lives. At times, everyone needs support and help, and sharing God's love with others reflects the love that God has for us.

Greater love has no man than this, that a man lay down his life for his friends.

R.S.V. John 15:13
