After every Aces football game, Aces' Coach Paul Hoggard talks about what's important while instilling life lessons that players can carry forward long after graduation.

Hoggard named Football Coach of Year

John A. Holmes coach Paul Hoggard has been named North Carolina Football Coach of the Year.

The Holmes teacher and head coach was nominated by the North Carolina High School Athletic Association as being the "most deserving recipient of this award."

A crowd gathered recently for the Henry Overton Football Banquet cheered loudly when Edenton-Chowan Schools Superintendent Rob Jackson announced Hoggard had won the award.

During the last two football seasons, Hoggard led the Aces to a 25-5 record, the greatest two-year win total in Aces history. The two-year stint includes back-to-back appearances in the regional finals and a finish as runner-up in the state championship game in 2016. The NCHSAA will hold an official ceremony in May to honor Hoggard.

tremendous success," Hoggard said at the banquet. "Dr. Jackson did that 'coach of the year' thing —

I appreciate that — but you all who have been around me for awhile know that is not me."

With trademark humility, Hoggard gave credit to the people who make the Aces a top-tier football team.

"The reason for success has nothing to do with me, it's because of all the people in this room — the players, coaching staff, our community; it's all those things that make it successful," he said. "It has been an amazing run — 25 and 5 over the last couple of years. Our seniors are leaving with that record. There have been so many records broken."

Before Hoggard came to Holmes, he was racking up more than a few victories for Richmond Senior High School. During Hoggard's eight-season tenure as head coach with the Raiders, he compiled an 88-19-1 record. Hoggard also led Richmond to its seventh state championship in 2008 when the Raiders rallied to defeat Jack Britt 38-35.

In March 2015, Hoggard gave up the pine needles in Rockingham to move to Chowan County. Jackson told the story of how he

Harrell docks in God's marina

Joseph Scott Harrell, Sr., a local businessman who left a legacy of boat building and a marina died last week.

Harrell passed away Jan. 23 — he was 90 years old. See the obituary page A3 and related remarks on page B4.

By all indications from folks passing by Edenton Baptist Church on Saturday morning, a big crowd attended the memorial service with Reverend David Brooks officiating.

In 1951, Harrell founded Edenton Tractor and Implement, the beginning of a lifelong love affair with tractors. In the early 1950's, he began carving out Edenton Marina from a run of Pembroke Creek. In 1978, Scott founded Albemarle Boats, and a legacy of fine offshore fishing boats lives on.

Mayor Roland Vaughan described Harrell as the "grandfather" of the boat building industry in Chowan County.

Man's best friend barks in higher place

BY REBECCA BUNCH

A tough day was ahead that Chowan County Deputy Sheriff Edward "Scooter" Basnight knew was coming for a while but that knowledge, when it arrived, didn't make it any easier. That day (Jan. 22), Rico, his former K9 partner at the sheriff's

office for 10 years, died at the age of 13. Once Rico's law enforcement days were behind him, Basnight requested, and was granted, the opportunity to keep the canine at his family's home where he had spent the final three years of his life.

The deputy made the depth of their relationship clear when he shared the

news with the community.

"He was truly a great partner, friend and protector," Basnight said. "He was as gentle as a Lamb with children and the elderly but once the leather went on he was as fierce as a lion. There will never be another like Rico, a partner I loved
