## TRACK

Continued from B1

championship meet at North Carolina A&T State in Greensboro, Pryce was dealing with what he said was a pulled muscle in his leg.

Pryce was slowed during the tail end of the NCHSAA Class 1A East Regional at John A. Holmes May 10.

Pryce was ready to compete at the 1A state championship May 18.

At the state cham-

pionship meet, Pryce along with Nakevin Hill, Zakeem Brooks and Kentrez Coston won the boys' 4x100 meter relay championship.

The Aces posted a time of 42.14 seconds to edge out second place, and defending state champion, Pender High School, which posted a time of 42.44 seconds.

After earning second place in the event last season, the Edenton 4x100 relay team was able to win gold this spring.

In the boys' 4x200 meter relay final, the Edenton group of Pryce, Brooks, Coston and Josiah Carter won the state championship with a time of 1:28.70 to defeat Pender's 4x200 meter relay team that posted a time of 1:29.26.

Edenton won the state championship in the 4x200 meter relay for the second consecutive season.

Pryce said that it was a blessing to win gold with his teammates on the relays.

He added that his

teammates had talked about defending the 4x200 meter relay state championship title.

Pryce noted that there was motivation to win in the 4x100 relay for Hill, who did not win a gold medal last year, but got silver.

"I made a promise that I'm going to get him the 4x100," Pryce said.

Pryce, who has roots in New York, acknowledged that it was special to end his high school career with state championships with

his teammates.

"Since I came to North Carolina, it has been me and them," Pryce said. "It's a blessing and something we can talk about when we get older."

In the boys' 300-meter hurdles final, Pryce was in a tight race with Angelo Scionti of Andrews High School.

Near the end of the race, Scionti fell to the track. Pryce finished the race to win gold.

"I felt like stopping during the race," Pryce said.

Pryce noted that way the race ended was shocking.

Pryce went back to where Scionti fell and assisted Scionti across the finish line.

For John A. Holmes boys' track and field coach Tamika Nixon, Pryce's act of kindness wasn't a surprise.

"That's the kind of kid he is," she said.

Pryce is set to move on the college ranks as he will run for the Wingate University men's track and field program.

## GOLF

Continued from B1

He noted that it was positive that he has three more years to go to improve his game.

Whitley said he began playing golf the summer of his fifth grade year.

"I realized that it was something that I wanted to look in to; something more as a career than just a hobby," he said.

Whitley noted that his father played golf growing

up as well.

His dad playing golf also influenced him to want to take up the sport.

As for his favorite professional golfer, Whitley is a fan of Jordan Spieth.

"He's definitely my favorite every since I started watching golf on TV," he said.

During Whitley's sixth grade year, he played golf at Lawrence Academy in Merry Hill.

Once he began attending school back in Chowan County at Chowan Middle

School for his eighth grade year, he did not golf for the school.

Whitley said that he would play on Saturdays during his eighth grade year on his own.

During that time, he had a support system that would take him to the golf course to practice.

Heading into this year's regional tournament, Whitley said that he was confident and excited.

"I wasn't very nervous because, at the time as a freshman, I had no ex-

pectations," he said. "I didn't think I had a chance to win."

During the round at the regional, Whitley realized that he was putting together a good round of golf.

"It felt nice knowing as a freshman, I had seniors trying to catch me," he said.

He noted that he is hard on himself, but realized that he had three more years remaining to obtain winning a regional.

Whitley was the only golfer from Edenton to

secure a spot in the NCHSAA Class 1A state championship tournament the next week.

He acknowledged that playing in regional and state championship tournaments were also about having fun.

Whitley has worked on finding the balance of being a competitor, a perfectionist and having fun on the course.

"The first few holes at regionals, I wasn't thinking about winning," he said. "I wasn't thinking about

anything. I was having fun talking with the people I was playing with."

Whitley acknowledged the course at the state tournament was a test and learning experience.

"I really had to work for a placement," he said. "I didn't play my best golf, but I learned a lot."

Whitley is looking forward to another opportunity on the state championship stage.

"It's nice knowing I have three more years to work on everything," he said.

## CHURCH

Continued from B3

Mission Mass Schedule (Columbia) — Tuesday and Saturday: 7 p.m., bilingual Mass. All are welcome! For additional information, please call the parish office (482-2617).

#### St. George's Orthodox Church
