Delivering exceptional health care Right here, close to you

Being a true system of care means more than simply providing health care services. It means bringing better health and wellness directly to you, close to home. At Vidant Chowan Hospital, we're delivering access to specialty services like outpatient rehabilitation, cardiology, oncology, wound care and gastroenterology in our spacious Outpatient Services Center. Because our goal isn't just to treat disease, but to prevent it in the first place. And that improves the lives of everyone in eastern North Carolina.
