

A MATTER OF HEALTH

Cherokee Scout

TUESDAY, MAY 16, 1905.

AT HOME.

The good old summer time is here.

C. G. Staunbury is attending court at Ellijay, Ga., this week.

Three or four days the past week were as hot as blue blazes.

M. W. Bell left Thursday on legal business to Cleveland, Tenn.

R. H. Hyatt & Co. are having the interior of their store painted.

Born to Mr. and Mrs. John Axley, Thursday night a sweet girl baby.

Mason Hickerson, cashier of the bank at Andrews, was here Sunday.

Born to Mr. and Mrs. Lon Brittain, Wednesday night a sweet girl baby.

The big revival in Asheville closed last week with over 300 conversions.

We learn that Prof. L. E. Mauney has a flourishing school at Blue Ridge.

Miss Sue Pearson, of Morganton, is here visiting the family of Alfred Morgan.

Misses Kitty McGuire and Nellie Graham, of Peachtree, visited friends here last week.

Married, May 9th, at Hayesville, Miss Myrtle Haigler to P. M. Reagan, of Andrews.

Candler's department store has a new ad. every week. It will pay you to read them.

Fred Pass, of Atlanta, was here Saturday enroute to attend Young Harris commencement.

W. N. Cooper, of Asheville and New York, was here several days the past week on business.

By order Town Council the marshal has been instructed to put up all cattle found at large after dark.

The dam across Valley river will be completed this week, but considerable other work is yet to be done.

Mrs. R. J. Roane, of Peachtree, and her niece, Miss Rebecca Smith, of Franklin, were in town Thursday.

County Superintendent Norvell examined a class of 29 applicants for school teachers last Wednesday and Thursday.

The L. & N. will run its usual excursion to Marietta on decoration day, May 30th. Round trip from Murphy, \$1.50.

Mrs. A. J. Gurley spent the past week Powell's Station, Tenn., at the bedside of her sister, Mrs. Garrison, who is quite sick.

Miss Annie Graham, of Peachtree, left Tuesday for Cross Rock, N. C., to spend the summer with her sister, Mr. W. T. Payne.

The furniture factory is now prepared to dress and size lumber for the public, which will prove a great convenience to our people.

W. G. Payne, commander G. A. R. Post No. 56, requests us to announce that all comrades are urged to meet at Shady Grove, May 30th.

Miss Linzie Hackney was called to Blue Ridge Friday to see her brother, who had arrived from Colorado, after an absence of ten years.

The past week witnessed a fearful loss of life, the number being killed and injured by cyclones and railway accidents reaching over 400.

Rev. Baylus Cade delivered the annual address last Tuesday at the commencement of the Mason High School at Franklin, which we are sure was a gem.

Mr. J. P. Chastain, one of the best citizens in Clay county, died Sunday morning at 1 o'clock at his home at Brantown. He was about 73 years old. He was sick but a short time with something like grip.

Prof. Chas. E. Filkins, of Sylva, one of the newly elected teachers of the Baptist School, was here several days last week.

W. H. Meroney and Miss Alma Guy, A. G. Dewese and Miss Dot Mauney took in the Young Harris commencement Saturday and Sunday.

C. B. Hill returned Friday from Salisbury, where he passed his examination before the State Board of Embalmers, and he is now ready for business.

Among those who attended Young Harris commencement were Willard and Carl Axley, Sam Hughes, John Posey, Willard and Charley Cooper, Charley Mayfield.

Bishop Candler, Dr. Lovejoy and Rev. Cooper spent Friday night in town on their way to attend Young Harris College commencement. Dr. Lovejoy delivered a lecture at the Methodist church to an appreciative congregation on what he saw in Palestine.

Quite a number interested in the library movement met at the Scout office Friday afternoon and perfected an organization. Another meeting will be held this afternoon at 4 o'clock and it is to be hoped all interested in this movement will be on hand promptly.

We regret to learn that T. J. Thomason, of Upper Peachtree, happened to a painful accident one day last week while out hunting. He had his gun across his shoulders, with his hand across the muzzle, when a limb struck the hammer, discharging it, the lead badly lacerating his hand.

The protracted services begin at the Methodist church next Sunday morning. There will be services both day and night for ten days or more. It is to be hoped that the housekeepers and business men and every one will attend regularly. Rev. and Mrs. E. C. Glenn, of Greensboro, will arrive Saturday night.

The closing exercises of the Murphy Graded School will begin Sunday, June 11th. Rev. A. T. Bell, of Asheville, is expected to preach the annual sermon. Monday and Tuesday nights will be devoted to exercises by the students, and on Wednesday night Gov. R. B. Glenn will deliver an address. The full program will appear later.

Prof. F. A. Brown has given up the principalship of the Bellview High School and accepted the presidency of the Sylva Collegiate Institute. He will leave in about a week for his new field of labor. He carries a high recommendation from the trustees of the Bellview school, and the Sylva people are indeed fortunate in securing his services.

We spent an hour between trains last Tuesday at Andrews, and we were surprised at the growth of this pretty little town since our last visit of a year ago. On every side are to be seen evidences of a solid and substantial growth, and if Murphy does not keep a humping Andrews will get in the lead. While there we had the pleasure of meeting Savage Bros., who recently purchased the mercantile business of W. P. Walker & Son. They are affable gentlemen and propose to keep up business to its high standard. They gave us a large order for stationery. We also called on our old friend, W. Bruce Fisher, the genial proprietor of the department store, and who favored us with a bill for job work. We noticed that M. E. Cozad is building several new modern style cottages—eight in number. D. S. Russell is erecting a two story frame house, the upper room to be used as a Masonic Hall. Quite a number of other buildings are going up all over the town. We were sorry when the train rolled in for Murphy.

One Cold and Another

The season's first cold may be slight—may yield to early treatment, but the next cold will hang on longer; it will be more troublesome, too. Unnecessary to take chances on that second one. Scott's Emulsion is a preventive as well as a cure. Take

SCOTT'S EMULSION when colds abound and you'll have no cold. Take it when the cold is contracted and it checks inflammation, heals the membranes of the throat and lungs and drives the cold out.

Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes. The kidneys are your blood-purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work. Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble. Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries. It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble. If you are sick you can make no mistake by first doctoring your kidneys. The mild and extraordinary effect of Dr. Kilmor's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail from Swamp-Root, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmor & Co., Birmingham, N. Y.

Don't make any mistake, but remember the name, Swamp Root, Dr. Kilmor's Swamp Root, and the address, Birmingham, N. Y., on every bottle.

Meeting of Town Council.

The old Board of Town Commissioners met last Wednesday morning and wound up their affairs, turning the reins of municipal affairs over to the new board.

Before the old board went out, the following business was disposed of:

The Murphy Furniture Manufacturing Co. was relieved of a tax of \$30 for the year 1904.

It was ordered that the chairman of the Finance Committee act with the tax collector in settling with C. B. Hill, clerk of the board; they report to the new clerk when elected.

It is resolved that this board tender Mr. G. W. Hall, town marshal, its appreciation of the faithful and efficient services as marshal and tax collector, and as far as propriety will admit, do recommend to the succeeding board his re-election to the position he now occupies. The old board then adjourned sine die.

Wednesday afternoon at 4 o'clock the new board met with Mayor Bell in the chair, with a full board present, viz: Aldermen Fain, Lovinggood, Posey, Woodbury, Vaughn and Akin, all having previously been sworn in.

Alderman S. D. Akin was elected secretary and treasurer.

Alderman S. W. Lovinggood was elected mayor pro tem.

Mayor Bell then announced his committees for the ensuing two years as follows:

Streets—Posey, Woodbury and Vaughn.

Finance—Fain, Lovinggood and Akin.

Police—Woodbury, Vaughn and Lovinggood.

The following gentlemen were elected to serve as a Board of Health for the town: Dr. J. P. Abernathy, Jno. E. Fain and J. V. Brittain.

Four applications were filed for the position of town marshal, as follows: G. W. Hall, G. D. Ricks, R. L. King and L. W. Thomason.

A ballot was taken, Hall receiving three votes, and the other three candidates each receiving one vote. It was then moved that Mr. Hall's election be made unanimous, which was done.

Hereafter the board will meet on the first Monday in each month at 2 o'clock p. m.

An order was made to secure a site for a calaboose.

The health committee was ordered to make an inspection of the town. The board then adjourned.

Morgan-Freas.

Married, Thursday, May 11, 1905, at 9 o'clock a. m., at the Episcopal church in Murphy, by Rev. Edward Stone, Miss Esther Morgan to Mr. Herman E. Freas.

The church was crowded with friends, relative and acquaintances, and the beautiful marriage ceremony of the Episcopal church was impressively performed by the rector.

The ushers, Messrs. Paul Hyatt and Ralph Morgan, marched down the aisle, followed by the bride's two little sisters. Then came the bride prettily attired in white leaning on her father's arm, followed by the groom and the bride's brother. The wedding march was played by Mrs. Henry Hyatt. The chancel was tastefully decorated. In a few minutes the two were made one.

The bride is the daughter of our esteemed fellow-townsmen, Mr. Alfred Morgan, and possesses many admirable traits of character, while the groom is a man of sterling worth. The happy couple left Saturday for Newton, Kan., their future home. We wish them bon voyage on the ever rolling sea of life.
