Mrs. L. E. Bayless returned Thursday from a short visit at Knoxville, Tenn.

Fresh Stock Premier Oats only 10 cents. Hyatt & Co.

W. P. James left yesterday for McCays, Tenn., to work at the carpenter trade.

R. V. Walls is in Haywood county visiting his mother. His route is being carried by Virgil Barnett.

J. H. Hall is making contracts with the boys for tan bark. High prices and spot cash will get them.

J. H. McLelland has had a new and substantial enclosure built around his house on church street.

Miss Maggie Phillips, post mistress at Andrews, spent two or three days with Dr. Graham's family last week.

Mr. and Mrs. John J. King, of McCays, Tenn., was here last week visiting his mother and other relatives.

If you want to peel some bark see J. H. Hall before you make a contract with any one. He has the top prices.

W. A. Elliott is still making more changes in the construction of his house which adds greatly to its appearance.

Mrs. J. P. Robinson and little son arrived from Carter county, Tenn., to visit her parents, Mr. and Mrs. J. S. Meroney.

We regret to announce the death of the good wife of J. C. Derreberry, of Marble, which occurred Sunday, March 18th.

Don't fail to attend the Cole & Rogers railroad show here next Wednesday, March 28th, and see the lady fight the lion.

Next Wednesday is Show day in Murphy. Everybody should take a day off and bring their family and have a good time.

J. L. Johnson came in from Knoxville to pay a short visit to his brother, M. C. Johnson, of our town and other relatives at Ranger, N. C.

Dr. B. Cheek, of Marion, N. C., came in a few days ago on account of the serious sickness of the little daughter of his son, our townsman.

Most of the Scout crew have been sick the past week, and but for our old friend, Geo. Abbott, we would not have been able to get out this issue.

G. W. Candler has been appointed administrator for the G. M. Blumenthal estate in this State, in order that certain deeds and titles can be perfected.

We understand the young people had an enjoyable dance at Miss Bettie McCombs, on Peachtree, Friday night. Several couples attended from Murphy.

We learn that Mrs. C. B. Hill and Mrs. J. Q. Davidson have sold their interests in the estate of their late father to Mark King. The consideration was each \$200.00.

Felix E. Alley, editor of the Jackson County Journal and a prominent young lawyer, will deliver the literary address at the closing of the Hayesville High School on the 19th day of April.

John O. Scroggs, of Hayesville, was in town the first of last week.

The sacrament will be administered at the Methodist Church on next Sunday morning, as was announced at the service Sunday night.

The Commissioners ought to look after the two bridges across Valley river and keep the dirt shoveled off, as it will keep the floor damp and cause it to decay.

WASTER.—Ten men to cut cord wood on Fair mountain. For particulars call on A. A. Fair or S. H. Hughes.

### MURPHY BACK CO.

Mrs. Alfred S. Emerson arrived the first of last week from England and will be here some time on business, when she will then rejoin her husband in the old country.

By reference to our advertising columns it will be seen that the local Masonic lodge will receive bids for the two story frame building on their lot, and in place of which they will erect a handsome three story brick.

Save the coupons given by Candler's Department stores. To those who fail to get either of the three prizes offered, but having as much as one dollar or more of coupons will be allowed 5 cents on any purchase for each dollar in coupons you may have on May 1st.

We have just learned that Col. Robert Bruce, a former well known citizen of this county, died on March 5th, at West Plains, Mo. He represented this county in the legislature many years ago. C. C. Bruce, of Andrews, and County Commissioner W. L. Bruce, of Culberson, are his only sons living in this county.

Dr. S. C. Heighway returned Thursday morning from Knoxville, Tenn., where he was summoned by telegraph Tuesday to be present at consultation of the case of Mrs. A. E. Garrison, who, we are glad to say, the doctor left in an improved condition. Mrs. A. J. Gurley still remains at the bedside of her sister, but Mr. Gurley accompanied Dr. Heighway home Thursday morning.

Bird Scio nee-tab, the principal Chief of the Eastern Band of Cherokee Indians, and David Owl, an Indian well known here, spent several days in our town the past week locking after the timber lands owned here by the Indians. Prof. Solomon-tab can not speak but little English and is quite young looking for a man of 64 years. The headquarters of the Eastern Band is in Swain county, the post office being called Cherokee, N. C.

The first real snow storm of this winter struck this section last Tuesday morning, and for a short time it looked like were in for a deep snow. The ground was too wet for the snow to remain, despite the temperature stood at freezing all day. Wednesday was cold and clear, the mercury going down as low as any morning this winter. The peach crop in Georgia is about killed, while in this county not a peach will be seen. The apple crop is safe, unless a freeze comes later.

THE above picture of the man and fish is the trademark of Scott's Emulsion, and is the synonym for strength and purity. It is sold in almost all the civilized countries of the globe.

If the cod fish became extinct it would be a world-wide calamity, because the oil that comes from its liver surpasses all other fats in nourishing and life-giving properties. Thirty years ago the proprietors of Scott's Emulsion found a way of preparing cod liver oil so that everyone can take it and get the full value of the oil without the objectionable taste. Scott's Emulsion is the best thing in the world for weak, backward children, thin, delicate people, and all conditions of wasting and lost strength.

H. J. Roane is getting his materials to build a porch around the front of his house. He will also have repainted.

We learn that Rev. Z. V. Cordell, who has been in Madison county at his old home at Cobbs for a much needed rest.

J. B. Dickey, of Culberson, left a few days ago for South Georgia to regain his health. He has been in poor health for some time and he thought perhaps the change would do him good.

Mr. S. H. Johnson, died at the home of his son, T. L. Johnson, last Friday and was buried at the Baptist cemetery Saturday. He was a substantial and a life-long Baptist, was here when the town was laid off and when the first church was organized in Cherokee; he was prominent in his church as a writer and talker. For several days before his death he shouted the praises of God and died in his right mind, happy in the Lord. He was nearly ninety two years of age.

Our spring term of Superior Court convenes next Monday, April 2nd Judge McNeil will preside and has the reputation of being a fair and able man. Of course many candidates will be here, while many others will give out their intentions for the first time. Prospective candidates for Congress, State Senator, Solicitor and for all the county offices will be here to talk, shake hands with the dear people and whisper loving things in their ears. Diverse are the ways of the candidate, but we are always glad to see him.

"BACCARAT,"  
The imported stallion, will be at Murphy every Thursday, Friday and Saturday. All who desire to improve their stock have a chance to do so. His stall is 1 mile from town at Cooper farm. Don't let \$25 leave you off from raising a half-bred French horse, worth \$200; a mare colt \$250, at 3 years old, no longer—no more time, no more feed, than a scrub or a mule worth \$125 at 4 years old. Think twice before you breed your mare to anything but the best in reach of you. This horse is a pure bred horse—anybody can be satisfied of that. Call on Mr. Dave Swan, director and keeper of the horse, imported from France.

**Women as Well as Men Are Made Miserable by Kidney Trouble.**

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine smells the flesh or if, when the child reaches an age when it should be able to control the passages, it is yet afflicted with bed-wetting, second upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp Root is soon realized. It is sold by druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail free, also pamphlet telling how to Swamp Root, including many of the thousands of testimonials letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.

Don't make any mistake, but remember the name, Swamp Root, Dr. Kilmer's Swamp Root, and the address, Binghamton, N. Y., on every bottle.
