TUESDAY, FEB. 4, 1908.

AT HOME.

Born to Mr. and Mrs. J. A. Richardson, a daughter.

W. H. Meroney left yesterday for Chapel Hill to take a course in pharmacy.

We are glad to learn that Mr. John Dockery, of Hangingdog, is improving.

Mumps are still claiming victims, the latest being Marshall Bell and Tom Axley.

Mrs. C. G. Stansbury and children left Wednesday to visit her parents at Ellijay, Ga.

W. H. Reno has moved into the Blumenthal residence, vacated by W. W. Candler.

Just as we go to press it is reported that Mrs. Mary C. Ring is in a dying condition.

Neil Davidson has purchased the cottage in East Murphy belonging to J. V. Barnett.

S. W. and E. A. Hartness left Friday to enter the Southern Business College, at Newnan, Ga.

Chickens and Eggs wanted at the Southern Lunch Room. Will pay the best cash price.

Col. Ben Posey spent several days last week at Haywood superior court, going from there to Hendersonville to visit his mother.

A. J. Martin, who is handling stock at Douglas, Ga., arrived Friday afternoon and remained until Sunday with his family.

E. A. Voyles has sold his place on Grape Creek to Oscar Johnson, and will move to the old home place, which he now owns.

Lost—One blue spotted pointer bitch, about ten months, resembles a hound; return to me and get reward. JOHN E. POSEY.

Mr. John T. Bates and family, of Unaka, moved to Murphy last week. He will be county jailer under his brother, Sheriff Bates.

J. L. Center, of Ducktown, Tenn., the well known liveryman, died in Atlanta last Wednesday following an operation for cancer.

W. H. Woodbury, of our town, and Howard Tate, of Jasper, Ga., have been appointed receivers of the Pickens Manufacturing Co.

We heard a citizen remark the other day that Town Marshal J. J. McDonald is keeping excellent order these days, which is true.

FOR SALE.—A Kurtzman & Co.'s piano cheap, if taken at once. Apply to Mrs. NETTIE DICKEY.

A. B. Dickey has sold his residence to his mother, Mrs. Nettie Dickey, which gives her, with the exception of the Mingus lot, an entire block.

A party of L. & N. officials were here Wednesday on a tour of inspection. We understand new stock pens and sidings will be put in at the old depot.

Messrs. F. J. and C. C. Axley, of Statesville, who accompanied the remains of their father home and remained for the funeral, have returned to Statesville.

The L. & N. depot was destroyed by fire last week at Ball Ground, Ga. Most of the contents were saved. The loss is \$2,500, partly covered by insurance.

We learn that there is a lady in Nolita Township suffering with a broken limb, caused by being thrown from a wagon while traveling over our good roads (?) some weeks ago.

Local hardware dealers have informed us that sales of copper is quite active, while one miller also informed us that he was selling a great deal of meal. Put the two together and see what you can make out of it.

Prof. Albert Bell, wife and little son, of Chiple, Ga., arrived Wednesday afternoon too late for the burial of her father, Col. F. P. Axley. Prof. Bell returned Saturday to Chiple, leaving Mrs. Bell and son here for a week or two.

Deputy Collector J. B. Ensley, of Jackson county, and two other officers, returned Friday from a raid in Clay county. They cut up three or four stills and destroyed a lot of beer and other stuff. It is reported they made two arrests.

Mr. Ira M. Denver, formerly of this county, son of Mr. E. M. Denver, was married to Miss Effie Pifer, of LaJanta, Col., on Sunday, January 19, 1908. After a brief wedding trip they will be at home at Albuquerque, New Mexico.

A cold wave struck this section Saturday night, sending the mercury down to 9 above zero, and it was at the same notch yesterday morning. A high Northwest wind made the weather seem colder than it really was. Both days were fair and full of sunshine, and if the ground hog theory is correct we are yet to have six more weeks of winter.

COAL.—Will have a car of large lump coal to arrive in a few days, which we will deliver at \$4.00 a ton. Leave your orders.

MURPHY HARDWARE CO.
Sheriff and Mrs. Theo. N. Bates returned several days ago from a pleasant visit to their old home at Nina. While there he sold his stock of goods to Mr. R. D. Lovinggood, who will continue the business. The sheriff says the roads are certainly rough and muddy, and in places all one can do is to creep along for fear of an accident.

We are requested to announce that the Murphy Literary and Social Club will hold its meeting on Saturday night next, the 8th inst., at the residence of A. M. Brittain, in East Murphy, when will be debated the question, "Should women have the franchise?" There will be a lady and gentleman assigned to speak on both sides of the question. Public cordially invited to be present.

Friday was the last day of January, and it was also the most disagreeable day that we have experienced in many years. We first had sleet, then snow and then rain, with a high east wind blowing all the time. The order of things would occasionally be reversed and it would start over again, keeping it up all day and most of the night. Saturday dawned with whirling wind clouds and sunshine just once in a while. The weather man certainly believes in variety.

Representative S. W. Davidson introduced bills in the legislature to amend the charter of Murphy; to incorporate the Hiwassee Railway Co. and to improve the roads of Murphy Township. These bills will have become laws before the legislature adjourns. When Mr. Davidson returns we will find out what is proposed to be accomplished under the bills and tell our readers all about them. But we are sure of one thing: they are for the good of our people, or else he would never introduced them.

Postmaster Dawese desires to call attention to the practice of some patrons of rural delivery of placing loose coins in their boxes each time they desire to dispatch letters instead of supplying themselves with postage in advance of their needs. This practice imposes hardship on rural carriers in removing loose coins from boxes and deposes them on the service of their routes. The postmaster, therefore, urgently requests that patrons of rural delivery provide themselves and keep on hand a supply of stamps consistent with and in advance of their needs.

A party of L. & N. officials were in Blue Ridge one day last week, and speaking of their visit the Post says: "They proposed the putting on of a through passenger train from Murphy to Atlanta and back each day, leaving Murphy about 5 a. m. and reaching Atlanta about 10 a. m.; returning, leave Atlanta about 2 p. m., arriving at Murphy at 8 p. m. Also a train from Blue Ridge to Knoxville and back each day, leaving here at 6 a. m., arrive Knoxville about 11 a. m.; leave Knoxville at 2 p. m., arrive Blue Ridge 7 p. m."

The little three-year-old child of Mr. Alexander Stalcup, who lives in the Bellview neighborhood, near the Georgia line, died last Tuesday morning. The death of the little one was peculiarly sad. When its mother went to milk it accompanied her, and getting cold it went back to the house to warm. No one was in the room and it got too near the fire, igniting its clothes. The child ran to the door and called to its mother, who saw her baby's dress was on fire, but by the time she reached it the cruel flames had enveloped it from head to foot. The fire was soon extinguished, but not before the little one was beyond all earthly aid.

When the roads are bad is the time to talk good roads. This fact explains why we try to have something each week on good roads. A well man doesn't need medicine—it's the sick man that needs doctoring. It is the same way with the roads. If the roads seem bad to those of our people who must travel over them and have therefore become accustomed to them, what must they seem to a stranger who has been used to good roads? Those of our people who travel the roads through the winter months do so because they have to—there is certainly no pleasure in splashing through the mud. What good are school houses and churches to a community if they can't get to them?

Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a *Book of Swamp-Root* pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
