DOWNWARD COURSE

Fast Being Realized By Murphy People

A little backache at first. Daily increasing till the back is lame and weak.

Urinary disorders may quickly follow; Dropsy and often Bright's disease. This frequently is the downward course of kidney ills.

Don't take this course. Murphy residents should profit by the following experience:

Mrs. J. F. Davis, Boyd Ave., Waynesville, N. C., says: "I was down sick with kidney trouble. My back was in poor condition and ached and pained terribly. When I tried to bend sharp pains went through me like a knife. It was impossible for me to sweep. I felt tired and when I was on my feet the pain almost drove me wild. Hearing of Doan's Kidney Pills, I got a supply and began taking them. They relieved me in a short time and soon rid me entirely of the trouble." Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the Same that Mrs. Davis had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.—Adv.

Mr. W. May, was taking his hands with friends here the other day.

Mr. William May has moved to Gastonia. We regret his departure as he was a good citizen, a good neighbor, a friend to all movements that make for progress.

An interesting debate was held at the local school Friday night. The subject was, "Which of our local citizens has done most for our community." The affirmative was presented by Mr. B. H. Clonts, and the negative by Mr. W. C. Walker. Judges handed in a tie.
