### Whitner Chapel.

Rev. John R. Harris, from Chattanooga, Tenn., visited the congrega-

tion at Whitner and held a two week revival, which was of great success and greatly appreciated by all who knew him. A host of souls went under conviction, five souls prayed through to victory, five followed the Lord in water baptism. The people were liberal with donations which amounted to \$31.57. Brother Harris leaves here for other states to hold revival meetings. He has more call than he can fill. God bless the ministers who will leave friends and home and sacrifice their time for lost souls.
