continued, "for I had been suffering with similar troubles to those mentioned there. I had heard of Cardui all my life and I knew many women who said they had been helped by it. The very next day I began to take it. Very soon after, I began to notice my improvement. I kept on till I felt like a different woman. I gained in weight from 98 pounds to 115 and felt better than I had in years. I took six bottles right along and found it a splendid tonic. My suffering was partly due to a run-down condition and the Cardui stimulated my appetite and helped me to gain the strength I needed. I take a bottle every now and then, even now, just as a tonic to keep up my strength, but I am in better health than I have been in for years."

All druggists sell Cardui. Try it.

DON'T BLAME THE CHILD

Don't blame your children for lack of control over kidney secretions. It is not always the children's fault—in many cases it means weak kidneys and can be readily righted. Read this Asheville mother's advice: Mrs. W. B. Whitaker, 336 S. French Broad Ave., Asheville, N.C., says: "I am never without Doan's Kidney Pills in my home and I know there is nothing better for kidney complaint. My little daughter has always had weak kidneys and was annoyed a lot by the too frequent action of the kidneys both day and night. I had heard Doan's Kidney Pills highly spoken of so I used them. They soon regulated her kidneys. I have taken them myself when my kidneys were out of order and I was run down and felt dull and languid. My kidneys also acted too frequently but Doan's have never failed to relieve these attacks."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Whitaker had. Foster-Milburn Co., Mfrs. Buffalo, N. Y.—Adv.
