OGREETA

The people of this section are very busy getting ready to plant corn.

The road work is progressing somewhat slow on account of the shortage of funds.

Mr. and Mrs. Bob Pierce of Andrews, were visiting friends and relatives at OGREETA, Saturday and Sunday.

Sheriff, W. P. Odom, visited here at OGREETA, Saturday and Sunday.

Gordon Clark, the little son of Mrs. Dora Talant, died Thursday, of pneumonia fever.

Gordon, went to school Whitener last year and a splendid little boy in school, always wearing a pleasant smile that will not be soon forgotten by his teacher and school-mates.

The little child of Mr. Ed Coleman has been very ill with pneumonia fever but is reported better at present.

Who will give us the meaning and origin of the word, "Ogreeta," a correct answer will be welcome from any one.

The writer has asked the above question for information and nothing else.

IN MEMORY OF ELLA STALCUP

Miss Ella Stalcup of Martin's Creek community, died at her home Sunday, December 23rd, 1923. She was born April 14th, 1871, was a daughter of J. H. Stalcup, who preceded her by about two years. The dark shadows of his sickness and death had scarcely faded from the home when she was called away. She professed faith in Christ at the age of fourteen, and became a member of the M. E. Church, South, and remained a faithful Christian to the end. She leaves a mother, three brothers and three sisters, other near relatives and a host of friends to mourn her going. She secured a good degree of literary training in early life, adding to her store of knowledge from time to time, her ideals were of a lofty type. Her pure life and character resulted from the right choice in early life, of seeking first the kingdom of God and his righteousness. She was unassuming and modest but met the issues of life squarely. The funeral was conducted at the home by Rev. W. S. Rogers in the presence of a throng of friends and neighbors. The body was laid to rest in the Martin's Creek cemetery.

A LOT OF LOVING.

FOLKS need a lot of loving in the morning. The day is all before, with cares beset—The cares we know, and those that give no warning: For love is God's own antidote for fret. Folks need a bean of loving at the noontime—In the battle lull, the moment snatched from strife—Half-way between the waking and the noon-time, While bickering and worryment are rife. Folks hunger so for loving at the night-time, When weary they take them home to rest—At slumber's song and turning-out-the-light-time—Of all the times for loving, that's the best! Folks want a lot of loving every minute—The sympathy of others and their smile! Till life's end, from the moment they begin it, Folks need a lot of loving all the while.

The Exhortation of the Dawn.

Listen to the exhortation of the Dawn! Look well to the day, For it is life, the very life of life. In it lie the verities and realities of your existence. The bliss of growth, The glory of action, The splendor of beauty— For yesterday is but a dream, and tomorrow is only a vision; But today, well lived, makes every yesterday a dream of bliss, and every tomorrow, a vision of hope. Therefore, look well to this day!

Do You Need a Tonic?

Durham, N. C.—"About fifty years ago two of my children whooping cough so badly that toward their lungs and bronchial tubes were affected from the stress of coughing. They kept getting weaker and I believe would have died had not been for Dr. Pierce's Golden Medical Discovery. I gave the several bottles until they were entirely out of danger and well as strong. I would never hesitate recommending Dr. Pierce's Golden Medical Discovery as a tonic to any prostrating illness, because it brings permanent strength."—Mrs. Josephine Arthur, 409 Tully St. Obtain Dr. Pierce's "Discovery" now from your druggist, in liquid form, or in tablet form. It can safely be given to little folks as it contains no harmful ingredient. Write Dr. Pierce, President Invalids' Hotel, Buffalo, N. Y. for free medical advice.

OLD AT 30 OR YOUNG AT 60?

The choice is largely up to you. If your blood lacks red corpuscles, you're going to be fagged and dragged out, you're going to lack "pep," to look sallow and unhealthy, to grow old before your time.

DR. MILES' TONIC

actually increases the number of red corpuscles in the blood. It makes the cheeks plump and rosy, stimulates the digestive organs, creates a healthy appetite, and leads to increased vigor and vitality. First bottle guaranteed to help you or money refunded.
