### Will Undo Much Evil

By Dr. V. M. Pierce

Knowing the vast amount of harm wrought by diseases of the kidneys, and having had opportunity to observe the analyses and the successful methods of treatment in thousands of cases of kidney trouble at the Invalids' Hotel, I have recently given to the public the latest and perhaps most important of the Dr. Pierce home remedies, "An-uric" (anti-uric-acid) Tablets, which I now recommend to those who suffer with kidney backache, irregularity of urination and the pains and disturbances that come from excess of uric acid in the blood.

"An-uric" can be had now at all the drug stores. The mere drinking of a cup of hot water each morning and a little "An-uric" before every meal should bring remarkably quick improvement. You may have kidney trouble and not know it. The danger signals to be watched for and quickly heeded are backache, depression, aches, pains, heaviness, drowsiness, dizziness, irritability, headaches, chilliness, rheumatic twinges, swollen joints, gout.

Cramping Spells "FOR MORE THAN A YEAR I had been in a very bad condition," says Mrs. R. E. Kimbrell, of Route 1, Dorchester, Texas. "I suffered with cramping spells which gave me bad pains in my back and sides. Sometimes I would have to catch at something, I would get so suddenly dizzy. . . I had to quit doing my work. I tried many remedies, but none of them seemed to do me any good. "In April I went up to Arkansas to visit my sister. . . She said to me, 'Willie, if you are going to take anything, take Cardui. It will really help you.' I came home and told my doctor what she had said and he said I could not take any better tonic, so my husband immediately got me a bottle and I began it. . . My case was a pretty tough one, I know, so I kept on faithfully. After the fourth bottle, I began to feel very much better, so much so that I was surprised at myself. I have taken six bottles now and I can truly say I feel like a different woman. . . I feel fine and I owe it all to Cardui, which I took faithfully." TAKE CARDUI The Woman's Tonic
